The Great Ruby Robbery A Detective Story:

The Great Ruby Robbery Grant Allen, 2004-06 Lady Maclure threw her head back in surprise at so unwonted an intrusion What do you want to know that for child she asked somewhat curtly Why to be cut of course All the diamond cutters in the world are concentrated in Amsterdam and the first thing a thief does when he steals big jewels is to send them across and have them cut in new shapes so that they can t be identified **The Great Ruby Robbery: a Detective Story** Grant Allen, 2018-03-15 Charles Grant Blairfindie Allen February 24 1848 October 25 1899 was a Canadian science writer and novelist and a public promoter of Evolution in the second half of the 19th century Many histories of detective fiction mention Allen as an innovator The illustrious Colonel Clay is a precursor of other gentleman rogue characters he notably bears a strong resemblance to Maurice Leblanc s Ars ne Lupin introduced some years later and both Miss Cayley s Adventures and Hilda Wade feature early female detectives *The Great Ruby Robbery* , **Romances from a Detective's Case-book, by 'Dick Donovan'** Bruce Durie, 2012-03-16 This volume contains four hard to find and rarely collected stories by Dick Donovan JEP Muddock originally printed in Strand in July August September and November 1892 between the 1st and 2nd series of Conan Doyle s adventures of Sherlock Holmes Also reproduced here is Grant Allen s October 1892 tale The Great Ruby Robbery An appreciation of that worthy man Muddock for whom the bald term writer is wholly inadequate is included There are brief sketches of the artists Paul Hardy who illustrated the Strand Donovan stories and Sidney Paget who drew for Grant Allen s yarn but better known as the accidental illustrator of the Holmes stories Strand really wanted his brother Walter for that task see p 143 The layout of this book differs from that of the original Strand publications but the typographical conventions of the day have been largely adhered to even if they look antiquated or simply wrong by today s rules A few errors have been corrected Edited by Bruce Durie **Dick Donovan The Glasgow Detective** Bruce Durie, 2012-08-28 Before Sherlock Holmes there was Dick Donovan The first internationally popular Victorian police detective Dick Donovan was Glasgow s own protector of the peace Dick Donovan was the pen name for a hugely successful series of over 200 stories and books written by James Emmerson Preston Muddock These tales predated in popularity Conan Doyle s early Sherlock Holmes outings and some were first were published in The Strand Magazine at the same time as the Holmes stories Dick Donovan achieved an international reputation as the master sleuth and is reputedly responsible for American detectives being known popularly as Dicks The foremost the original the genuine the one the only Man Hunter in his earliest cases now available again with introductory and biographical material by Dr Bruce Durie Warning Do not allow your children servants or elderly relatives of a nervous disposition to read these stirring tales of wrong doers brought to book www.bruceurie.co.uk/books *Purity and Contamination in Late Victorian Detective Fiction* Dr Christopher Pittard, 2013-05-28 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meade and Marie Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the

1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his discussion within the ideologies underpinning George Newnes's Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and impure delights associated with sensation and gothic novels Further Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard's project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity

Sherlock's Sisters Joseph A. Kestner, 2017-03-02 Sherlock's Sisters The British Female Detective 1864 1913 examines the fictional female detective in Victorian and Edwardian literature This character originating in the 1860s configures a new representation of women in narratives of the nineteenth and twentieth centuries This analysis explores female empowerment through professional unofficial or official detection especially as this surveillance illuminates legal moral gendered institutional criminal punitive judicial political and familial practices This book considers a range of literary texts by both female and male writers which concentrate on detection by women particularly those which followed the creation of Sherlock Holmes by Arthur Conan

Doyle in 1887 Cultural movements such as the emergence of the New Woman property law or suffragism are stressed in the exploits of these resourceful investigators These daring women deal with a range of crimes including murder blackmail terrorism forgery theft sexual harassment embezzlement fraud impersonation and domestic violence Privileging the exercise of reason rather than intuition these women detectives are proto feminist in their demonstration of women's independence Instead of being under the law these women transform it Their investigations are given particular edge because many of the perpetrators of these crimes are women Sherlock's Sisters probes many texts which because of their rarity have been under researched Writers such as Beatrice Heron Maxwell Emmuska Orczy L T Meade Catherine Pirkis Fergus Hume Grant Allen Leonard Merrick Marie Belloc Lowndes George Sims McDonnell Bodkin and Richard Marsh are here incorporated into the canon of Victorian and Edwardian literature many for the first time A writer such as Mary Elizabeth Braddon is reassessed through a neglected novel The book includes works by Irish and Australian writers to present an inclusive array of British texts Sherlock's Sisters enlarges the perception of emerging female empowerment during the nineteenth century filling an important gap in the fields of Gender Studies Law Literature and Popular Culture **Ivan Greet's Masterpiece** Grant Allen, 1893 **Vintage Mystery and Detective Stories** David Stuart Davies, 2006 This is a richly entertaining collection of stories from the golden age of crime fiction a period when crimes were solved by the wit and ingenuity of the sleuth with only his own intelligence to rely on *Late Victorian Crime Fiction in the Shadows of Sherlock* C. Clarke, 2014-09-26 This book investigates the development of crime fiction in the 1880s and 1890s challenging studies of late Victorian crime fiction which have given undue prominence to a handful of key figures and have offered an over simplified analytical framework thereby overlooking the generic moral and formal complexities of the nascent genre **Grant Allen** Terence Rodgers, 2017-03-02 A strikingly interdisciplinary figure in Victorian literary history Grant Allen 1848 1899 has thus far managed to elude the focused scrutiny of contemporary scholarship This collection offers a valuable analytical and bibliographical resource for the exploration of the man and his work Grant Allen was a prolific novelist essayist and man of letters who is best remembered today for his *The Woman Who Did* 1895 which gained fame and notoriety almost overnight through its exploration of female independence and sexuality outside marriage precipitating rabid denunciations of the new woman Allen engaged with a span of literary and cultural concerns in the late Victorian period that extended beyond gender politics however equally important was his sustained intervention in debates about Darwinism Spencerism and evolution on which subjects he was recognized as an authority and as the foremost popularizer alongside T H Huxley and Benjamin Kidd Not only did Allen's work link the literary and the scientific it traversed the boundaries between elite and popular culture demonstrating their interconnectedness This was notable in his travel and environmental writings and in his experiments in orientalist and detective fiction fantasy and science fiction The contributors to this collection approach the figure of Allen from diverse fields within Victorian studies showing him to be a late Victorian innovator but also an example of fin de siècle modernity Grant

Allen Literature and Cultural Politics at the Fin de Si cle revisits the richly variegated profile of one of the most intriguing and significant polymaths of the turn of the century recognizing his contribution to and influence on the key modernizing debates of the period After Sherlock Holmes LeRoy Lad Panek,2014-08-12 The appearance of Sherlock Holmes in The Strand Magazine in 1891 began a stampede of writers who wanted to emulate build upon or even satirize Arthur Conan Doyle s work This book explores the development of detective fiction during the critical period between Conan Doyle s creation of Holmes and the advent of the Golden Age of the detective story during World War I Both British and American detective writers of the period are surveyed as well as writers who turned to gentleman burglars and master criminals
