The Art of Deception is the Rule of Life Albert Amao Soria Ph.D., 2024-07-09 This book is a spiritual journey of self discovery for those open minded and willing to embrace the truth even if it means confronting deep rooted false beliefs inherited from our ancestors It is a call to step out of the comfort of blissful ignorance and into the light of personal enlightenment Ignoring the truth may provide temporary solace but it can lead to greater despair and fear in the long term This existential gap is usually filled with religions myths and legends however these stories may not be entirely factual Nevertheless they provide solace and a sense of purpose in life so they are often considered well intentioned pious fiction Many desire to know the truth but few are genuinely prepared to handle it

This book challenges many core beliefs and convictions held as accurate it may lead to existential conflict As King Solomon wisely said For with much wisdom comes much sorrow the more knowledge the more grief Ecclesiastes 1 18 These words resonate with the essence of this book inviting you to embark on a journey of self discovery and truth seeking It highlights the transformative potential of this process as those who can confront the truth honestly undergo a psychological catharsis a liberation of erroneous assumptions Thus this book is not for the faint of heart More than 2 500 years ago Buddha stated that life is an illusion and today s most accurate science quantum physics asserts that we live in virtual reality The truth can challenge our deepest convictions and induce confusion because we live based on false assumptions imposed by our ancestors mass media outdated education systems and traditional erroneous beliefs **GNOSIS (Volume 2 of 2)**

system which opens a doorway to spiritual exploration This book represents a way of taking a journey of self discovery and in the process developing intuition and genuine insight

The Magic of the Orphic Hymns Tamra Lucid, Ronnie Pontiac, 2023-08-22 Recaptures the magical vitality of the original Orphic Hymns Presents literary translations of the teletai that restore important esoteric details and correspondences about the being or deity to which each hymn is addressed Includes messages inscribed on golden leaves meant to be passports for the

dead as well as a reinvention of a lost hymn to Number that preserves the original mystical intent of the teletai Explores the obscure origins and the evolution of the Orpheus myth revealing a profound influence on countercultures throughout Western history As famous Renaissance philosopher Marsilio Ficino wrote No magic is more powerful than that of the Orphic Hymns These legendary teletai of Orpheus were not simply hymns they were initiatic poems for meditation and ritual magical and ceremonial use each one addressed to a specific deity such as Athena or Zeus or a virtue such as Love Justice and Equality Yet despite the mystical concepts underlying them the original hymns were formulaic creating an obstacle for translators Recapturing the magical vitality that inspired mystery cults through the ages Tamra Lucid and Ronnie Pontiac present new versions of the teletai that include important esoteric details and correspondences about the being or deity to which each hymn is addressed The authors also include a new version of a lost hymn called Number and messages that were inscribed on golden leaves meant to be passports for the dead reinventions that preserve the original magical intent and mysticism of the teletai Revealing the power of the individual hymns to attune the reader to the sacred presence of the Orphic Mysteries and the higher order of nature the authors also show how taken together the Orphic Hymns are a book of hours or a calendar of life addressing every event from birth to death and walking us through all the experiences of human existence as necessary and holy
