The Great Thirst:

The Great Thirst Norris Hundley, 2001-07-02 The story of the great thirst is brought up to date in this revised edition of Norris Hundley's outstanding history with additional photographs and incisive descriptions of the major water policy issues facing California now accelerating urbanization of farmland and open spaces persisting despoliation of water supplies and demands for equity in water allocation for an exploding population People the world over confront these problems and Hundley examines them with clarity and eloquence in the unruly laboratory of California The obsession with water has shaped California to a remarkable extent literally as well as politically and culturally Hundley tells how aboriginal Americans and then early Spanish and Mexican immigrants contrived to use and share the available water and how American settlers arriving in ever increasing numbers after the Gold Rush transformed California into the home of the nation's preeminent water seekers The desire to use profit from manipulate and control water drives the people and events in this fascinating narrative until by the end of the twentieth century a large colorful cast of characters and communities has wheeled and dealt built diverted and connived its way to an entirely different statewide waterscape **The Great Thirst** Norris Hundley (Jr.), 2001 The Great Thirst Jenny Seed, 1985 In South West Africa in the 1830's a boy of the Nama tribe vows to avenge his father's death but despite his warrior's heritage cannot kill when the opportunity comes **The Great Thirst** Norris Hundley (Jr.), 1992 Early Spanish and Mexican immigrants although they exploited water supplies on a large scale for their settlements considered water a community resource not to be monopolized by anyone It was the Americans arriving in ever increasing numbers after the Gold Rush who transformed California into a collection of the nation's preeminent water seekers By the late twentieth century a large colorful cast of characters and communities had wheeled and dealt built diverted and connived their way to an entirely different California waterscape The results are presented not sensationally but soberingly One of Hundley's most important contributions to California water history besides creating a clear engrossing narrative of its intricacies is to demolish the image of a monolithic water empire managed by a coercive elite The Great Thirst Hans Ruesch, 1957 *The Great Thirst Land* Parker Gillmore, 2013-04-12 Hardcover reprint of the original edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Gillmore Parker *The Great Thirst Land A Ride Through Natal Orange Free State Transvaal And Kalahari Desert* Indiana Repressed Publishing LLC 2012 Original Publishing Gillmore Parker *The Great Thirst Land A Ride Through Natal Orange Free State Transvaal And Kalahari Desert* London Paris New York Cassell Petter Galpin Subject Hunting South Africa **Beyond Chinatown** Steven P. Findley, Share the fruits of my first five years of publishing Learn about blogging writing cover design editing marketing and find a bunch of great resources to help you in your publishing journey many of them free I m not the be all and end all of Christian publishing but I m here to help and so are a bunch of other Christian writers and service providers You know what a net is It catches things To a fish or a bird it s a bad thing But to an indie author it s a good thing Out there online there are people who will be your net as you learn how to publish I m talking about the kind of net that keeps acrobats from squishing when they miss that swing or those hands high up there in the air But my biggest piece of advice is to concentrate on finding other Christians You need to find some warm loving encouraging snuggly blanket type people you can seek out when you just don t know what to do
