The Greek Passion A Study In People And Politics

Dermot J. T. Englefield, Gavin Drewry

The Greek Passion A Study In People And Politics:

The Greek Passion: a Study in People and Politics Kenneth Young, 1969 The Vision of Anglo-America Henry Butterfield Ryan, 2004 This study demonstrates the importance of the decline of British power in the creation of the Cold War

The British Council and Anglo-Greek Literary Interactions, 1945-1955 Peter Mackridge, David Ricks, 2018-04-17 In the immediate aftermath of the Second World War and with British political influence over Greece soon to be ceded to the United States there was a considerable degree of cultural interaction between Greek and British literati Sponsored or assisted by the British Council this interaction was notable for its diversity and quality alike Indeed the British Council in Greece made a more significant contribution to local culture in that period than at any other time and perhaps in any other country Many of the participants among them Patrick Leigh Fermor Steven Runciman and Louis MacNeice are well known while others deserve to be better known than they are today But what has been less fully discussed and what the volume sets out to do is to explore the two way relations between Greek and British literary production in which the British Council played a particularly important role until the outbreak of armed conflict in Cyprus in 1955 which rendered further contacts of this kind difficult Close attention is paid to the variety of ways marked by personal affinities and allegiances but also by political tensions in which the British Council functioned as an agent of interaction in a climate where a complex blend of traditional Anglophilia or Philhellenism found itself encountering a new post war and Cold War environment What is distinctive about the volume beyond the inclusion of much recent archival research is its attention to the British Council as part of the story of Greek letters and not just as a place in which various British men and women of letters worked The British Council found itself sometimes more through improvisation and personal affinities than through careful planning at the heart of some key developments notably in terms of important periodical publications which had a lasting influence on Greek letters Though in the cultural forum that influence was arguably to be less pervasive than that of France with its more ambitious cultural outreach or than that of the USA in later decades the role of the British Council in Greece in this crucial period of Greek and indeed European post war history continues to make a rich case study in cultural politics This volume thus fills a gap in the rich bibliography on Anglo Greek relations and contributes to a wider scholarly and public discussion about cultural politics *History of the Balkans: Volume 2* Barbara Jelavich, 1983-07-29 This volume concentrates on the Balkan wars and World War II focusing particularly on Bulgaria Greece Montenegro Romania and Serbia since 1945

Cultures Under Siege Antonius C. G. M. Robben, Marcelo M. Suarez-Orozco, 2000-09-14 Collective violence changes the perpetrators the victims and the societies in which it occurs It targets the body the psyche and the socio cultural order How do people come to terms with these tragic events and how are cultures affected by massive outbreaks of violence This book is a groundbreaking collection of essays by anthropologists psychologists and psychoanalysts drawing on field research in many different parts of the world Profiting from an interdisciplinary dialogue the authors provide provocative at times deeply

troubling insights into the darker side of humanity and they also propose new ways of understanding the terrible things that people are capable of doing to each other *Amnesty International and Human Rights Activism in Postwar Britain, 1945-1977* Tom Buchanan, 2020-04-30 In this definitive new account of the emergence of human rights activism in post war Britain Tom Buchanan shows how disparate individuals organisations and causes gradually came to acquire a common identity as human rights activists This was a slow process whereby a coalition of activists working on causes ranging from anti fascism anti apartheid and decolonisation to civil liberties and the peace movement began to come together under the banner of human rights The launch of Amnesty International in 1961 and its landmark winning of the Nobel Peace Prize in 1977 provided a model and inspiration to many new activist movements in the field of human rights and helped to affect major changes towards public and political attitudes towards human rights issues across the globe **Psychoanalysis, International Relations, and Diplomacy** Vamik D. Volkan, 2018-05-15 The author has three goals in writing this book The first is to explore large group identity such as ethnic identity diplomacy political propaganda terrorism and the role of leaders in international affairs The second goal is to describe societal and political responses to trauma at the hands of the Other large group mourning and the appearance of the history of ancestors and its consequences The third goal is to expand theories of large group psychology in its own right and define concepts illustrating what happens when tens of thousands or millions of people share similar psychological journeys The author is a psychoanalyst who has been involved in unofficial diplomacy for thirty five years His interdisciplinary team has brought enemy representatives such as Israelis and Arabs Russians and Estonians Georgians and South Ossetians together for dialogue He has spent time in refugee camps and met many world leaders **Turkey and Greece** Deniz Bölükbaşı, 2012-12-06 The Aegean disputes between Turkey and Greece represent one of the longest standing contemporary conflicts in existence These disagreements encompass a wide range of issues including the seabed maritime areas and airspace of the Aegean The territorial status of a number of islands and rocks as well as specific demilitarization conferred upon Greek islands in the Eastern Aegean under international treaties is also a matter of dispute The Aegean disputes which still remain unresolved are a major source of tension and conflict in Turkish Greek relations The stalemate in reaching a settlement is liable to give rise to new frictions resulting in an acute strain on relations From time to time the disputes have erupted into crisis bringing the two countries to the verge of confrontation These disputes are immensely complex and involve a broad range of interrelated issues with complicated political and legal aspects This study represents the first attempt of its kind providing in a single volume a comprehensive review and analysis of the legal and political aspects of the Aegean disputes which constitute a unique case study in international law involving two neighbours in the Aegean that share a unique history and geography *Anglo-American Perceptions of Hellenism* Tatiani Rapatzikou, 2008-12-18 In this volume an attempt is made to tackle Hellenism as a global and transcultural entity Through an array of essays this book constitutes a comparative study of various literary cultural and artistic trends as these

develop throughout the course of the eighteenth nineteenth and twentieth centuries on both sides of the Atlantic Having been designed with the general as well as the specialized reader in mind this book will prove to be a valuable guide to scholars undergraduate and postgraduate students as well as to a broad spectrum of readers with an interest in comparative literature cultural history history of the classical heritage transatlantic studies English and American romantic modernist and postmodernist narratives Its diverse material falls under the umbrella terms of English Hellenisms and American Hellenisms with the intention of enhancing intercultural dialogue and understanding By embracing multivocality as proven by the number of articles it contains this book proves the tenacity diachronic and intercontinental appeal of Hellenism at the era of multiculturalism and globalization

A Psychoanalyst on His Own Couch Ferhat Atik,2019-07-31 Vamik Volkan puts himself on his couch and tells his fascinating life story as an international psychoanalyst who has seen and studied humans in many parts of the world to renowned writer scriptwriter and director Ferhat Atik Born to Turkish parents in Cyprus in 1932 Vamik moved to the US in 1957 where he still resides today Over the past half century his career has flourished in ways few could have foreseen He has founded many worthwhile organisations and initiatives and has taken his research and work into real world international relations Therefore any book about Vamik Volkan cannot limit itself to mere biography it is also a professional guide the life of a professor and his real life stories a means towards understanding humanity societies memories and modes of psychological treatment Within are many influential and widely accepted concepts that Dr Volkan introduced to the wider world Ferhat Atik carried out exhaustive research involving many hours of interviews with Dr Volkan as well as reading and digesting all forty two of his book Once Atik had mastered the minutiae of Dr Volkan s works the interviews were transcribed and they became the backbone of the book Dr Volkan s first hand accounts are throughout this thoughtful and empathetic biography and he has also written a foreword This collaborative biography is full of fascinating insight into a modest man whose work took him to some of the most combative and volatile parts of the world where his interventions had positive real world effects for us all Professionals working within his field and also those outside will find it full of inspiration and innovation a riveting read for anyone with an interest in international relations which should be us all in these uncertain times

Great Events from His II Hum Rights 1992 5 Vols Frank Northen Magill,1992 The second set in the Great Events from History II GEFHII series inaugurated by GEFHII Science and Technology Series 1991 the current volumes follow the format of the science and technology set and in addition contain a geographical index to articles The five volumes of Human Rights addr

Information Sources in Politics and Political Science Dermot J. T. Englefield,Gavin Drewry,1984

Greek-Turkish Relations Since 1955 Tozun Bahcheli,2021-11-28 Bahcheli analyzes the dispute over Cyprus from its emergence in the 1950s to the coup against President Makarios which brought Greece and Turkey to war in 1974 He considers the Cyprus issue within the narrow context of Greek Turkish relations and the broad context of international relations

Blind Trust Vamik Volkan,2014-07-01 Blind Trust is the culmination of more than three decades of profound

immersion in the most pressing sociopolitical conflicts of our time by the psychoanalyst with probably the most direct experience with such issues of any in the world Author Vamik Volkan applies his knowledge of depth psychology to the turbulent and destructive human experiences in the current cauldrons of the greatest unrest and disaster throughout Europe Asia and the Middle East Illuminating the etiologic bases of war revolution massacres and terror as these have disturbed the world from ancient times to modern civilization his voice speaks for the imperative of reason and the application of modern analytic knowledge for conflict resolution at the highest levels The subjects are large groups and their leaders windows into the lives of the Prophet Muhammad Stalin Milosevic Osama Bin Laden and David Koresh are interspersed with examinations of religion and fundamentalism and a sober study of suicide attackers Volkan s detailed and scholarly description of regressive movements in large group identities complemented by an equal attention to progressive and creative reparative forces represents a significant expansion of our understanding of group psychology

Studies in Platonic Political Philosophy Leo Strauss, 2024-05-31 The award winning philosopher explores the conflict between philosophy and political society through a series of essays One of the outstanding thinkers of our time offers in this book his final words to posterity *Studies in Platonic Political Philosophy* was well underway at the time of Leo Strauss s death in 1973 Having chosen the title for the book he selected the most important writings of his later years and arranged them to clarify the issues in political philosophy that occupied his attention throughout his life As his choice of title indicates the heart of Strauss s work is Platonism a Platonism that is altogether unorthodox and highly controversial These essays consider among others Heidegger Husserl Nietzsche Marx Moses Maimonides Machiavelli and of course Plato himself to test the Platonic understanding of the conflict between philosophy and political society Strauss argues that an awesome spiritual impoverishment has engulfed modernity because of our dimming awareness of that conflict Thomas Pangle s Introduction places the work within the context of the entire Straussian corpus and focuses especially on Strauss s late Socratic writings as a key to his mature thought For those already familiar with Strauss Pangle s essay will provoke thought and debate for beginning readers of Strauss it provides a fine introduction A complete bibliography of Strauss s writings is included

Passion, Craft, and Method in Comparative Politics Gerardo L. Munck, Richard Snyder, 2007-05-30 In the first collection of interviews with the most prominent scholars in comparative politics since World War II Gerardo L. Munck and Richard Snyder trace key developments in the field during the twentieth century Organized around a broad set of themes intellectual formation and training major works and ideas the craft and tools of research colleagues collaborators and students and the past and future of comparative politics these in depth interviews offer unique and candid reflections that bring the research process to life and shed light on the human dimension of scholarship Giving voice to scholars who practice their craft in different ways yet share a passion for knowledge about global politics *Passion Craft and Method in Comparative Politics* offers a wealth of insights into contemporary debates about the state of knowledge in comparative politics and the future of the field Margaret

Keck Johns Hopkins University **The Politics of Elite Transformation** Neovi Karakatsanis, 2001-04-30 Kkarakatsanis analyzes the processes through which a stable consolidated and fully democratic regime was brought into existence in the 1970s and early 1980s in Greece Focusing primarily on the roles played by political elites during and in the decade after the transition to democracy she analyzes how Greece moved from a long history of political instability and elite disunity to a consolidated democratic regime to which all major political actors were loyal and committed Four distinct transformations which forged the consensual unity required to establish a stable and consolidated democratic regime in Greece are rigorously and systematically examined First the modernization of the right from a questionable commitment to democracy before the 1967 dictatorship to a fully democratic stance in the post 1974 period second the moderation of the communist left which went from engaging in anti democratic oppositional tactics for much of its history to loyalty towards the new democratic regime third the moderation of the Panhellenic Socialist Movement which went from a seemingly semi loyal stance in the formative years of the transition to one of full loyalty once in the government and fourth the transformation of the military s attitudes and behavior which led it to retreat from political involvement and to submit itself to civilian control Recognizing that elites do not act within a political vacuum however she also analyzes elite interaction while paying careful attention to the relevant social cultural and international contexts and to the linkages between elites and their respective social and political groups Of particular interest to scholars and other researchers involved with contemporary politics in Southern Europe as well as democratic consolidation elites and political parties **Catalogue of the Gennadius Library, American School of Classical Studies at Athens** Gennadius Library, 1981 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979 **Studies on the Reception of Plato and Greek Political Thought in Victorian Britain** Kyriakos Demetriou, 2023-04-14 This collection of essays focuses on the reception of Plato and Greek political thought in the work of some major pre Victorian classical scholars and expands on a remarkable range of hotly debated issues on the interpretation of Greek antiquity The central figure in this volume is the radical philosopher utilitarian and Platonist George Grote whose works on the history of Greece and Plato moved away from traditional models of classical interpretation His works and their background are critically explored in light of his philosophical commitment and political radicalism Article IV brings to light a forgotten manuscript by Grote On the Character of Socrates produced in the 1820s Grote sought to counter the current literature on ancient Greece and its predominant motifs which is here examined in its own right along with an independent study on Bishop Connop Thirlwall s influential History of Greece The second half of this volume is devoted to analyzing important aspects of the revival of Platonic studies in the ideological and discursive context of early and middle Victorian times This collection of essays presents comprehensive and illuminating contextual analyses of nineteenth century works on classical reception providing simultaneously a rich bibliographic guide to further research

This is likewise one of the factors by obtaining the soft documents of this **The Greek Passion A Study In People And Politics** by online. You might not require more get older to spend to go to the ebook establishment as without difficulty as search for them. In some cases, you likewise pull off not discover the broadcast The Greek Passion A Study In People And Politics that you are looking for. It will extremely squander the time.

However below, taking into consideration you visit this web page, it will be appropriately extremely easy to get as well as download guide The Greek Passion A Study In People And Politics
