**Social Networking Objectives for the Millenium and Beyond** Vera Moon,2012-04-19 This is a book about how every city should make certain that most of its restaurant venues have specific services for all citizens in the area It states that all venues should be socialized So that all needs of the client are met on an individual basis Policy includes Even credit investment counselling So that every dollar spent is an investment not just a payment for service rendered by an hourly rate It is a proposal to encourage all business owners to develop wholistic innovative interactive mutually profitable management policy This type of venue should have been licenced since 1975 to prevent erosion from any economic recession pre set It is a truly innovative and inspired proposal for all citizens to consider I have been hostessing discussions on how business venues need to encourage economic reforms and the development of wholeistic media services to specific membership groups or warehouse clubs Since 1970 I enjoy co op art poetry and writing reviews on educational program reforms in my spare time I encourage more land use development groups to support the development of warehouse clubs with a 24hr operations policy

**Labor's Millennium** Brett H. Smith,2010-01-01 Historians have traditionally interpreted the American land grant higher education movement as the result of political and economic forces Little attention has been given however to any explicit or implicit theological motivations for the movement This book tells the story of how the Christian belief of many founders of the University of Illinois motivated their educational theory and practice Constructing a social gospel of labor s millennium their shorthand for God s kingdom being enhanced through agricultural and mechanical education they initially proposed that the university would impart a millenarian blessing for the larger society by providing abundant food economic prosperity vocational dignity and a charitable spirit of sacred unity and public service Rich in primary source research Smith s account builds a compelling case for at least one such institution s adaptation of an inherited evangelical educational tradition transitioning into a new era of higher learning that has left its mark on university life today **Ag in the Classroom Notes**
