The Group Of Seven:

The Best of the Group of Seven Joan Murray, Lawren Harris, 1984 A stunning full colour collection of the brilliant paintings that revolutionized Canadian art In the early twentieth century a group of young artists strived to create in Lawren Harris's words paintings that would embody the moods and character and spirit of the country The fifty four breathtaking colour plates in this book confirm their success Well loved landscapes like Tom Thomson's Jack Pine appear beside some unexpected treasures like Edwin Holgate's Nude in a Landscape The essays by Joan Murray and Harris give historical context to the Group of Seven and fascinating captions provide biographical notes and insightful critiques of each member's style No Canadian library is complete without this beautiful volume **The Group of Seven**, 2008 [A Story of the Group of Seven](#) Harry Hunkin, 1976 **Meet the Group of Seven** David Wistow, Kelly McKinley, Art Gallery of Ontario, 1999 This book in the Snapshots Images of People and Places in History series features nature painters who changed the landscape of Canadian art forever *The Group of Seven and Tom Thomson* Anne Newlands, 1995 Well illustrated with 40 color works and archival photographs this is an informative introduction to Canada's best loved artists from the early 20th century the Group of Seven and Tom Thomson **The Cultural Lives of Whales and Dolphins** Hal Whitehead, Luke Rendell, 2022-12-22 An astonishing unconstrained exploration of the nature and practice of cetacean culture a revolutionary book Philip Hoare author of *The Whale* In the songs and bubble feeding of humpback whales in young killer whales learning to knock a seal from an ice floe in the same way their mother does and in the use of sea sponges by the dolphins of Shark Bay Australia to protect their beaks while foraging for fish we find clear examples of the transmission of information among cetaceans Just as human cultures pass on languages and turns of phrase tastes in food and in how it is acquired and modes of dress could whales and dolphins have developed a culture of their very own Unequivocally yes In *The Cultural Lives of Whales and Dolphins* cetacean biologists Hal Whitehead who has spent much of his life on the ocean trying to understand whales and Luke Rendell whose research focuses on the evolution of social learning open an astounding porthole onto the fascinating culture beneath the waves As Whitehead and Rendell show cetacean culture and its transmission are shaped by a blend of adaptations innate sociality and the unique environment in which whales and dolphins live Drawing on their own research as well as a scientific literature as immense as the sea including evolutionary biology animal behavior ecology anthropology psychology and neuroscience Whitehead and Rendell dive into realms both humbling and enlightening as they seek to define what cetacean culture is why it exists and what it means for the future of whales and dolphins And ultimately what it means for our future as well *J.E.H. MacDonald, Designer* Robert Stacey, Hunter Bishop, 1996-10-15 The design work of Group of Seven painter J E H MacDonald was not only central to his personal artistic development but inseparable from the graphic design industry in Toronto from the 1890s to the 1930s the golden age of book and magazine illustration This connection has been largely overshadowed by his painting Now this splendid book tracing MacDonald's involvement

with fine printing book design and commercial art raises the profile of graphic design as a formative influence in Canadian visual culture **Encyclopedia of the United Nations and International Agreements: G to M** Edmund Jan

Collective Action in the European Union Mark Aspinwall,Justin Greenwood,2013-09-13 Collective Action in the European Union addresses fundamental questions surrounding the European political economy The impressive array of contributors ask how and why collective action is formed at the European level They also consider whether collective action at the transnational level is driven by rational utility maximising behaviour or whether explanations couched in social terms are more convincing Many of the chapters introduce fresh empirical studies in the domains of business the professions consumers and environmental interests Not Needing All the Words Annick Hillger,2006-05-26 Reading selected texts by Michael Ondaatje including the novels In the Skin of a Lion and The English Patient and the poem Birch Bark Annick Hillger

demonstrates how his writing both answers and challenges attempts to delineate the idea of a Canadian national self She sets Ondaatje's work within the context of theoretical and philosophical ideas developing the notion of a literature of silence concerned with finding a ground for self beyond the realm of language

Government and the Economy David A. Dieterle, Kathleen M. Simmons, 2014-10-14 In this non biased politically neutral compendium the authors trace the evolution of the U S government's role in the economy including the history ideas key players and court rulings that influenced its involvement Today's economic environment is in constant flux as is the participation of governments in it Local state national and global governmental agencies have taken on new responsibilities with both positive and negative economic consequences This book looks at the changing role of American government in the economy from determining the measurements of economic health to being mindful of corporate sustainability to legislating business practices and consumer affairs This comprehensive collection of essays draws from the contributions of 25 economic scholars along with seasoned educators David A Dieterle and Kathleen C Simmons to examine economic systems and the factors that influence them The work includes summaries of important Supreme Court cases that have impacted America's economic infrastructure biographies of famous economists and descriptions of the seven key economic systems command socialism democratic socialism fascism market capitalism state capitalism transitional and welfare state

A History of Water Engineering and Management in Yemen Ingrid Hehmeyer, 2018-12-10 In A History of Water Engineering and Management in Yemen Ingrid Hehmeyer describes the three way relationship between water land and humans from ancient to medieval and premodern times As illustrated in case studies from four sites individual ecosystems necessitated different engineering and management approaches in order to make good use of the scarce water resources for both irrigated agriculture and domestic consumption Material remains and written sources provide the evidence for a comprehensive examination of continuity and change technical and managerial struggles failures and successes the question of technology transfer the impact of the religion of Islam on water use and allocation and people's reactions in times of severe crisis

International Disputes and Cultural Ideas in the Canadian Arctic Danita Catherine Burke, 2017-08-22 This book explores the Canadian relationship with its portion of the Arctic region which revolves around the dramatic split between the appearance of absent minded governance bordering on indifference toward the region and the raging nationalism during moments of actual and perceived challenge toward the sovereignty of the imagined Canadian Arctic region Canada's nationalistic relationship with the Arctic region is often discussed as a reactionary phenomenon to the

Americanization of Canada and the product of government propaganda As this book illustrates however the complexity and evolution of the Canadian relationship with the Arctic region and its implication for Canada s approach toward international relations requires a more in depth exploration Please be aware than an error has been noted for Table 1 1 on page 71 In this table the sub category Inuit is mislabelled It should read Native Indians and Inuit as the data presented represents this Canadian census sub category which calculated all indigenous peoples and Inuit peoples together

Picturing the Land
Marylin Jean McKay,2011 The vast Canadian landscape has captured the imagination of visual artists since the first European contact Although artistic engagement with the landscape has a long history some periods have drawn considerable critical attention while others have been left almost unexamined Picturing the Land surveys work from coast to coast from the earliest maps to postwar painting in English and French Canada To provide a comprehensive view of Canadian landscape art Emphasizing the ways in which social economic and political conditions determine representation Marylin McKay moves beyond canonical images and traditional nationalistic interpretations by analyzing Canadian landscape art in relation to different concepts of territory Taking an expansive and inclusive perspective on Canadian landscape art McKay depicts this tradition in all its diversity and draws it into the larger body of Western landscape art broadening the horizon of future study appreciation and criticism Richly illustrated and filled with sophisticated and innovative commentary Picturing the Land provides new and distinct histories of the landscape art of French and English Canada
