Late one night Fiona and Jack after a long day in the sun were sound asleep when they were suddenly awakened by wild frightening almost bloodcurdling screams Although Fiona is much braver than Jack she on this occasion was very much alarmed while Jack was very calm He had heard those screams before They were made by a barred owl also frequently referred to as a hoot owl The owl seemed to scream these words Whooooooo coooooooks for youuuuuuu Whooooooo coooooooks for youuuuuuu According to an old wives tale common to the South Carolina coastal area this owl arrives screaming in the neighborhood on the night when someone has just been murdered in the vicinity The fact that on one particular night the owl arrives screaming its best when no one seems to have been murdered nearby provides a very important clue that helps our investigators identify the killer     *The Greatest Cult Television Shows of All Time* Christopher J.
