the novice a Teaching Race Stephen D. Brookfield, 2018-11-05 A real world how to manual for talking about race in the classroom Educators and activists frequently call for the need to address the lingering presence of racism in higher education Yet few books offer specific suggestions and advice on how to introduce race to students who believe we live in a post racial world where racism is no longer a real issue In Teaching Race the authors offer practical tools and techniques for teaching and discussing racial issues at predominately White institutions of higher education As current events highlight the dynamics surrounding race and racism on campus and the world beyond this book provides teachers with essential training to facilitate productive discussion and raise racial awareness in the classroom A variety of teaching and learning experts provide insights tips and guidance on running classroom discussions on race They present effective approaches and activities to bring reluctant students into a consideration of race and explore how White teachers can model racial awareness thereby inviting students into the process of examining their own white identity Racism whether evident in overt displays or subconscious bias has repercussions that reverberate far beyond the campus grounds As the cultural climate increasingly calls out for more research education and dialogue on race and racism this book helps teachers spotlight issues related to race in a way that leads to effective classroom and campus conversation The book provides guidance on how to Create the conditions that facilitate respectful racial dialogue by building trust and effectively negotiating conflict Uncover each student s own subconscious bias and the intersectionality that exists even in the most homogenous appearing classrooms Help students embrace discomfort and adapt discussion methods to accommodate issues of race and positionality Avoid common traps mistakes and misconceptions encountered in anti-racist teaching Predominantly White institutions face a number of challenges in dealing with race issues including a lack of precedence an absence of modeling by campus leaders and little clear guidance on how teachers can identify and challenge racism on campus Teaching Race is packed with activities suggestions and exercises to provide practical real world help for teachers trying to introduce race in class The ^AOxford Handbook of Care in Music Education Karin S. Hendricks, 2023-08-29 The Oxford Handbook of Care in Music Education addresses multiple conceptualizations of caring relationships in music education Principal themes of the handbook include philosophical perspectives on care and music education co creating caring relationships caring for wellbeing and human flourishing and care social activism and critical consciousness The essays highlight the essence of authentic relationships and shared experiences between teachers and learners extending previous conceptions of care to meet the needs of contemporary music learners and the teachers who care for about and with them Avoiding Burnout Betsy B. Nordell, 2020-12-15 Given the challenges facing educators today it is vitally important to understand the workings of teacher excellence Which teachers exceed state standards for performance and continue to exhibit passion and resilience in the classroom Beyond subject knowledge and teaching techniques what do exemplary educators know and do that could be adapted for use by others Exploring these questions serves as the basis for Avoiding Burnout How Exemplary Teachers Find

Fuel and Cultivate Success The featured educators among the most distinguished American teachers provide insight into their successful strategies with students parents caregivers colleagues and administration Their honest and thoughtful voices provide compelling evidence of how they navigate today s complex issues in education Concise connections to relevant research underscore the value of their perspectives This highly engaging and easy to use book is designed to spur thinking and conversation about what supports and inhibits educator success at all levels In small meaningful bites readers will learn what exemplary educators do why they do it and how it helps In this time of high teacher attrition we need to share ideas about how to succeed in the teaching profession **Transforming Theological Education, 2nd Edition Perry** Shaw, 2022-01-31 For several decades concern has been expressed about the need for greater integration and contextual significance in the curricular design of theological education In addition there has been a growing awareness of the role theological schools should play in strengthening the missional vision and practice of local churches Drawing on Dr Perry Shaw's experience as faculty member educational engineer and acting academic dean for Arab Baptist Theological Seminary Transforming Theological Education provides theoretical foundations and practical principles for purposeful curriculum design as well as tools for facilitating integrated and contextually significant learning in the classroom This updated second edition has been reorganized for thematic clarity and expanded to provide a stronger foundation for thinking theologically rather than just educationally about theological education It also contains a wider range of curricular examples from innovative theological programs around the world along with practical advice for implementing change in change resistant environments This handbook continues to be a one of a kind resource for theological educators and all those involved in Teaching First-Year College Students Bette LaSere Erickson, Calvin B. Peters, Diane Christian leadership training Weltner Strommer, 2009-11-24 Teaching First Year College Students is a thoroughly expanded and updated edition of Teaching College Freshmen which has become a classic in the field since it was published in 1991 The book offers concrete suggestions about specific strategies and approaches for faculty who teach first year courses. The new edition is based on the most current research on teaching and learning and incorporates information about the demographic changes that have occurred in student populations since the first edition was published. The updated strategies are designed to help first year students adjust effectively to both the academic and nonacademic pressures of college The authors also help faculty understand first year students and show how their experiences in high school have prepared 4 4 or not prepared 4 4 them for the world of higher education Health Professional as Educator: Principles of Teaching and Learning Susan B.
