 David W. Wright, 2018-02-20 Is justice worth the price of your soul After years of struggle Henry Black finally had it all a loving family and a thriving career as a comedian Then in one night it was all ripped away from him when three men murdered his daughter and ended his world But death isn't the end for Henry When given the chance to return to his wife he accepts Except he's no longer the man he was or even a man at all To match his sins Henry's body has been twisted and his mind thrust into darkness Unable to comfort his suffering wife Henry uses his newfound supernatural abilities in pursuit of the only goal that matters VENGEANCE But the closer he comes to the truth of that fateful night the more he leaves his humanity behind Can Henry save himself before it's too late or will he become truly monstrous NOTE This book was originally published by 47North under the author names of Sean Platt and David Wright The new version contains only slight editorial revisions      **Rise of Willow** Gil Johnstone, 2020-10-19 It is the dawn of the twenty fourth century a hundred and forty years since the end of the Dark Age and the birth of a strange world with both new and old Henry Timberlake goes to meet the Willow family who are the descendants of Tolba Willow the most important person to the world's economic revival Employed to write their history by cerebral biography Henry learns things that change him with love's healing power Fate draws him into their strange circle and their fight against the world's most ancient depravities      *Dinosaur Lake IX: Dinosaurs Are Hard to Kill* Kathryn Meyer Griffith, 2025-03-14 Park Ranger Henry Shore has been fighting large rogue blood thirsty dinosaurs for over a decade and now finally they have been eradicated Or have they Henry works hard to keep the secret of his amazing little dinosaur friend Oscar and Oscar's family from the world knowing the highly intelligent telepathic creatures must be protected for many reasons especially because if the hostile aliens ever return Oscar is the key to communicating with them Last time that communication saved the world But now suddenly more malevolent large dinosaurs have shown up near the northern boundary of his park and Henry once more is asked for his help to find and to exterminate them before they kill any more innocent humans But when he finds the first large dinosaur it is already dead And then the second large dinosaur also dead How And what is this virulent infection that is killing them Now nine books in series      One Penny Gary Parker, 2016-04-10 Two boys find a penny in the dust of Scott's Creek a small country town in central Queensland The public squabble over ownership of the coin causes their father the local Blacksmith to mete out some rough punishment In his rage he seriously harms the eldest boy Lindsay starting a chain reaction of events that changes the lives of so many It is 1899 and Australia is recruiting soldiers to fight in South Africa Forced onto a ship and away from his family Lindsay's father finds that he is the only one with the knowledge of a plot to destroy many lives He has no way to warn his fellow enlistees and the fact that he is widely hated by most in his home town does not help him in his quest to bring down the man responsible Follow Malachi Tanner and his sons Lindsay and Henry as the story takes them through war survival joy and

tears over the span of almost 100 years up to a modern investigation that still needs to know exactly what happened at the turn of the last century      **Dry Rain** Jesse Rosenfeld,2023-11-01 The Devil made him do it      **Children's Play, Pretense, and Story** Susan Douglas,Lesley Stirling,2015-12-21 At the heart of this volume is the recognition that children s engagement with play and story are intrinsically and intricately linked The contributing authors share a passionate interest in the development and well being of children in particular through their use of imagination and adaptation of the everyday into play and stories Following these principles the volume explores the connections between play story and pretense with regard to many cultural and contextual factors that influence the way these elements vary in children s lives In a departure from earlier collections on play and story the authors take a particular focus on normative as compared with atypical development This collection begins with an approach to understanding the developmental relationship between play and story which recognizes their similarities while acknowledging their differences Much of the collection addresses pretend play and story in children with autism spectrum disorder an understudied but important group for consideration as these dimensions of their lives and development have often been considered problematic The volume also includes sections on play and story in classroom settings and play and story across cultures including non English speaking environments such as Israel Romania China and Mexico It concludes with a discussion of how play differs across sociocultural and economic contexts making a unifying claim for the importance of play in children s lives but also calling for an understanding of what play means to very different groups of children      *Dinosaur Lake VII: The Aliens Return* Kathryn Meyer Griffith, Ex Park Chief Ranger Henry Shore has had his share of adventures and trials But for many years he had a good life with his wife Ann and his daughter Laura being Chief Ranger at Crater Lake National Park His life was perfect Then the dinosaurs came With his rangers he fought the prehistoric beasts for years in his park while outside the world also battled the malevolent creatures He had one friend among the dinosaurs little Oscar who helped him and the other humans to fight and survive the dinosaur wars during them he lost his daughter These days Henry is recovering from the loss of his beloved wife Ann and trying to find purpose in his new lonely life The year before he d been temporarily rescued from that sorrow by being drafted as a renowned dinosaur hunter and expert to help track down some of the last remaining rogue dinosaurs in the country and then later two of the wilier creatures loose and causing havoc at the government s secret Area 52 Area 52 where two mysterious ancient alien spaceships were housed and examined by a team of our scientists Alien ships somehow suspected of being connected to the world s previous dinosaur scourge because of the ancient dinosaur DNA discovered in their labs That assignment ended abruptly for Henry when the two alien aircrafts mysteriously vanished Now Henry is home again and at loose ends But when so many new menacing extraterrestrial spacecrafts begin to appear in Earth s air spaces and the alien abductions multiply Henry is drafted yet again to help For fear has rapidly spread across the world as more and more alien airships are sighted everywhere Why are so many alien ships suddenly harassing our planet and what do they want It won t
