The House in Amalfi Elizabeth Adler,2025-08-22 Let Elizabeth Adler sweep you away to the dramatic cliffs and ocean of Italy's Amalfi coast in this novel of secrets memories and unexpected love Lamour Harrington's husband died two years ago Since then she has immersed herself in her landscape architecture but even creating beautiful outdoor rooms can't bring back her sense of peace When she's faced with a devastating truth about the husband she adored Lamour needs a place to recharge She returns to the house on the Amalfi coast where she'd lived with her father during the happiest years of her childhood But the house of her memories has secrets all its own forcing her to face new truths about another man she once loved Was her father's death truly accidental Or was he hiding something that caused his early demise Torn between two mysterious and compelling men Lamour discovers that the past has a way of returning when you least expect it And someone wants to ensure that Lamour doesn't uncover the secrets of this idyllic dreamy coastal getaway As the past and the present collide in a shattering and suspenseful climax Lamour must face the things she fears the most in order to find the courage to live life to the fullest The House in Amalfi is addictively page turning a novel to tantalize every sense and keep you spellbound *Best Books for Children, Preschool Through Grade 6* ,2006 **Garibaldi's Ski-Boat** Anthony

Fleischer,2003-09 GARIBALDI'S SKI BOAT by Anthony Fleischer Extracts from press reviews SUNDAY TIMES Johannesburg This second novel more than fulfills the promise of the first It has dignity simplicity and an ease of narration that makes it not a tale told but a pattern of people and events evolving independently through some natural process Somehow the novel begins one knows when the night is turning into morning the darkness is a morning darkness and the air is chilled The sense of atmosphere conveyed in this opening sentence is maintained to the end of the book Throughout the three chief characters move speak and fulfill their destinies against a background of the elements SUNDAY TIMES London To Garibaldi Cape Coloured fisherman comes by luck and coincidence an amazing fishing boat It's unsinkable they say and at last he can venture into the Indian ocean for real fishing instead of skulking in a leaking tub in the muddy waters with his friend Sky But

Sky lost his wife to the terrible ocean and can't overcome his terror so Garibaldi goes it alone. This is really an elongated short story but it is beautifully told. THE OBSERVER London. The author handles the transition from the simple fun of the quayside to the elemental disaster of the climax with great skill. He is a real writer and he knows what some writers never learn when to stop. TIME TIDE London. It is difficult to pin point the extraordinary attractiveness of this story perhaps it is because the author never by so much as a nod towards a more complex world leaves the setting and the characters he has drawn. There are no symbols to worry us, no folk wisdom to fox us, no archetypes, only people with special wants and special likes. In all this he shows an unpretentious confidence, perhaps unconscious, and skill lacked by many more famous European novelists.

Joseph Conrad, 1857-1924, was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English though he did not speak the language fluently until he was in his twenties. He wrote stories and novels often with a nautical setting that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.
