Pioneers S. An-sky, 2017-05-11 When young Zalmen Itzkowitz steps off the train on a dark dreary day at the close of the nineteenth century the residents of Miloslavka have no idea what's in store for them Zalmen is a freethinker who has come to the rural town to earn his living as a tutor Yet rather than teach Hebrew he plans to teach his students the Russian language and other secular subjects Residents of the town quickly become divided with some regarding Itzkowitz as the devil's messenger and others supportive of his progressive ideas Set during the time of the Haskalah the great Jewish Enlightenment that was sweeping through Europe *Pioneers* is a charming tale of one ambivalent young man's attempt to join the movement and a compassionate portrait of one shtetl on the brink of transformation
