**Adventures in Franchise Ownership** Christy Wilson Delk, 2018-07-03 Written in the style of a business tell all *Adventures in Franchise Ownership* lays out what successful franchisees do that you won't find in most owner's manuals and includes franchisee Christy Wilson Delk's good, bad, and really tough days before her successful exit 15 years later. Franchisees like most small business owners experience times of extreme frustration, lapses in motivation, and often exit before reaching their potential and their goals. Based on Christy's real life franchise ownership adventures, this guide explains how her 4 Pillar to Pillars Approach helps all franchise owners get to the top tier of their franchise system and includes advice from 16 top performers representing over a dozen market segments. With humor, candor, and relatability, Christy fills in the gaps of the franchise Owner's Manual by providing a constructive framework for finding professional satisfaction and attaining the financial success franchise owners everywhere want and deserve.

**Controlling Restaurant & Food Service Labor Costs** Sharon L. Fullen, 2003 This new series of fifteen books, *The Food Service Professional Guide TO Series* from the editors of the *Food Service Professional*, are the best and most comprehensive books for serious food service operators available today. These step by step guides on a specific management subject range from finding a great site for your new restaurant to how to train your wait staff and literally everything in between. They are easy and fast to read, easy to understand, and will take the mystery out of the subject. The information is boiled down to the essence. They are filled to the brim with up to date and pertinent information. The books cover all the bases providing clear explanations and helpful specific information. All titles in the series include the phone numbers and web sites of all companies discussed. What you will not find are wordy explanations, tales of how someone did it better, or a scholarly lecture on the theory. Every paragraph in each of the books are comprehensive, well researched, engrossing, and just plain fun to read, yet are packed with interesting ideas. You will be using your highlighter a lot. The best part, aside from the content, is they are very moderately priced. You can also purchase the whole 15 book series; the ISBN number is 0 910627 26 6. You are bound to get a great new idea to try on every page if not out of every paragraph. Do not be put off by the low price; these books really do deliver the critical information and eye opening ideas you need you to succeed without the fluff so commonly found in more expensive books on the subject. Highly recommended. Atlantic Publishing is a small independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information, real world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.
