Scappettone,2014-11-25 As a city that seems to float between Europe and Asia removed by a lagoon from the tempos of terra firma Venice has long seduced the Western imagination Since the 1797 fall of the Venetian Republic fantasies about the sinking city have engendered an elaborate series of romantic clichés provoking conflicting responses some modern artists and intellectuals embrace the resistance to modernity manifest in Venice's labyrinthine premodern form and temporality whereas others aspire to modernize by killing the moonlight of Venice in the Futurists notorious phrase Spanning the history of literature art and architecture from John Ruskin Henry James and Ezra Pound to Manfredo Tafuri Italo Calvino Jeanette Winterson and Robert Coover Killing the Moonlight tracks the pressures that modernity has placed on the legacy of romantic Venice and the distinctive strains of aesthetic invention that resulted from the clash In Venetian incarnations of modernism the anachronistic urban fabric and vestigial sentiment that both the nation state of Italy and the historical avant garde would cast off become incompletely assimilated parts of the new Killing the Moonlight brings Venice into the geography of modernity as a living city rather than a metaphor for death and presents the archipelago as a crucible for those seeking to define and transgress the conceptual limits of modernism In strategic detours from the capitals of modernity the book redrafts the confines of modernist culture in both geographical and historical terms Detour Jean Marie Rusin,2007-07-09

extensive work schedule ignoring the significance of Rose Chermini's words despite the unalterable fact that John F Kennedy has been assassinated And in Dallas But strange and dangerous events begin to rock the young couple's routine And Jason's growing fascination with the conflicting and dumbfounding news surrounding the assassination add additional stress to their six month marriage The death of a fraternity brother propels the couple with their friend Rick Harnish to Dallas While danger now lurks in other forms the truth of their marriage finally unfolds while the characters and mysteries in the JFK assassination finally launch Sundry into the present Patty Duncan lived through the drama of the John F Kennedy assassination and as a young woman began to believe the cynicism of the Sixties could be traced at least in part to that sad event She has spent twenty five years in public relations and advertising including a stint as press secretary in the Tennessee legislature With retirement she turned again to assassination theories and was surprised that so little attention had been given to Rose Chermini a woman who warned medical personnel of the impending assassination Although there is a dearth of information about Rose Chermini she and her warning warrants further attention as do some of the other players in the assassination drama I chose a story of a young couple who are struggling with their own busy lives intersecting their demons and foibles with the startling appalling idea that their very own government could be involved in the tragedy that occurred November 22 1963 Subjects that belong to the American public as the Kennedy assassination certainly does invite us to revisit them again and again Patty said Dividing their time between Cape Coral Florida and Mt Juliet Tennessee Patty and husband Joe when not reading writing or playing tennis can be found humbly fulfilling the fancies of their two cats Leggs and Al
