Harris, 2023-09-25 On what basis are Gentile Christians justified and full inheriting members of Abraham's family By being circumcised and keeping the Torah Paul answers by reinterpreting the Abraham narrative in light of the Christ event as a story of two siblings True Abrahamic children are those whose Spirit wrought life arises as God promised Abraham from the event of Christ faith Like Isaac they receive the life giving power of the Spirit that is tethered to God's promise and the event of eschatological faith By contrast those who like Ishmael are related to Abraham only by means of the flesh are slaves and not heirs     **Origins and Method--Towards a New Understanding of Judaism**

**The Rights Fight** Jay Lucas, 2011-10-28 America is the most rights conscious society in history It seems as though every social and political issue of the day is ultimately described in terms of rights When it comes to understanding rights in America there are two competing worldviews Christianity and secularism The Rights Fight presents a defense of the Christian view which says that universal human rights depend upon God Even more importantly The Rights Fight explains how America's passion for rights offers Christians a wonderful opportunity for the proclamation of the Gospel of Jesus Christ

Yarbrough, 2009-01-01 Mark Yarbrough assesses the question of whether traditional preformed material contributes to the message and understanding of Paul's first letter to Timothy The issue is addressed in three sections Part one evaluates previous works interacting with traditional material in the New Testament Through a critique of historically proposed criteria Yarbrough identifies eight criteria as the primary tools by which to discern units of preformed material In the second part of the book Yarbrough evaluates nineteen passages in 1 Timothy according to the criteria previously determined From this base he embraces twelve of the nineteen passages as preformed material These passages are subsequently examined in depth according to the author's distinct methodology Part three demonstrates four functions of the preformed traditions in 1 Timothy Firstly that they may be seen as strengthening the literary cohesion of the letter Secondly that the traditional units afford the author rhetorical leverage which may be best identified as the provision of authority the establishment of an instant rapport with the primary audience and the assistance conferred in addressing this implied audience Thirdly they present theological directives that confront the character and belief of the false teachers Finally Yarbrough asserts that the preformed traditions exist as a combatant against counter mission doctrine In conclusion this study displays that the traditional material which may be discerned within the letter contributes significantly to the overall message and understanding of 1 Timothy      **Ultimate Guide to the Holy Land** Holman Bible Publishers, 2022-05-15 Visit the Holy Land
