Intersection Slawomir Zulawinski, 2005 Polish born photographer Slawomir Zulawinski photographs the stream of life as we encounter it daily on the street amidst the ebb and flow of triviality and significance He observes the hustle and bustle of New York City with the curious eye of an expatriate keen on diminishing his feeling of alienation and capturing moments of exhaustion the side effects of a controlling and over stimulated society In his photographs the intricacies of inner life suddenly reveal themselves in a stranger s face Glimpses of the melancholy truths of quotidian life are exposed on a nondescript urban street     Library Journal ,2006-04     **Das Schweizer Buch** ,2007     **Polonica zagraniczne** ,2005
