Sleeping Beauty Stories Andrew Lang, 2014-06-17 Sleeping Beauty Stories includes several stories across several decades from the beginning of its imaginative creation. The story that brought to life the sensational Maleficent the new Disney movie includes the stories of Andrew Lang 1844 1912 Charles Perrault and others. The story At the christening of a king and queen's long wished for child seven fairies are invited to be godmothers to the infant princess. At the banquet back at the palace the fairies seat themselves with a golden casket containing golden jeweled utensils laid before them. However a fairy who was overlooked having been within a certain tower for many years and thought to be either dead or enchanted enters and is offered a seating but not a golden casket since only seven were made. The fairies then offer their gifts of beauty wit grace dance song and music. The bad fairy angry at being overlooked places the princess under an enchantment as her gift the princess will prick her hand on a spindle and die. One fairy who hadn't yet given her gift uses it to reverse the evil fairy's curse but she can only do so partially instead of dying the princess will fall into a deep sleep for 100 years and be awoken by a king's son. A hundred years pass and a prince from another family spies the hidden castle during a hunting expedition. His attendants tell him differing stories regarding the happenings in the castle until an old man recounts his father's words within the castle lies a beautiful princess who is doomed to sleep for a hundred years whereupon a king's son is to come and awaken her. Everything seemed to be going according to plan until Rafe turned up. Suddenly all of Caroline's dreams seemed rather empty empty without Rafe that is.
