Thomas Meloncon's Johnny B Goode and George Hawkins's Brother Rabbit explore the cultural legacies of blues music and folktales. Three unflinching dramas Sterling Houston's Driving Wheel Eugene Lee's Killingsworth and Elizabeth Brown Guillory's When the Ancestors Call examine homosexuality a death in the family and child abuse bringing to light the private tensions of intersections between the individual and the community. Conversations with my Son TerryAnn Fisher and Troy Michaels, 2010-07-13 A READER REVIEW AWESOME That is the only way I can describe your book but I have to explain It was hard to put down I did not cry all the way through either There were times the tears welled up but I did not need the box of Kleenex I did not find it depressing either You were so very lucky to have that precious time I do not get books often that hold me like this one It was very well written I hope that is a compliment since I'm not a critic Even though I knew what the end was going to be the suspense was still there I can't explain it but it was like the book had a hold on me I could visualize the house even though I have never been there including the cow in the yard I could even visualize your husband leaving for work and just being there Troy's image changed as he got sicker I wish I would have known Troy It would have been an honor To care for a terminally ill person is a commitment and one you never forget But it does make you reflect on the good times shared I can go on and on but to sum it up It is a GREAT book I think everyone should read it
