card tricks and smells of cigars At age thirteen Amanda s been left to her own devices during a rather dull and swelteringly summer long family vacation and Miss Lizzie is the perfect distraction But when Amanda stumbles upon her own despised stepmother s corpse the brutal crime seems eerily similar to a certain double axe slaying in Fall River three decades earlier Naturally the whole town immediately suspects Lizzie The local police though are open minded enough to consider Amanda s brother and father to be viable suspects as well To help her young friend and clear her own name again Lizzie must sharpen her sleuthing skills to find a fiendish killer with an axe to grind *Coffin Man* James D.
