*Slow Smoked Success* Lee J. Bentsch, 2002-10-17 A good piece of BBQ can be judged by many things But the two most prevalent points are after you eat a piece you want more Second point is 2 hours later you should still be tasting it BBQ does that to you but so do many other things This book is written to help appreciate the little things in life by drawing comparisons between good BBQ Business and Life in general It is not a business book a cookbook or a self help book It s all of these pulled together with observations of various segments of life and business Read relax have some fun and if your truly motivated crank up the pit and smoke some beef while reading the business section of the paper Those who Continue to Smoke

practices The beauty of *Playing With Fire* is that it does not preach or scold but rather takes readers on a journey of self discovery that will help women to understand their lives and motives for smoking as well as the possibility of personal change and power It is a book that explores the creation of a better world through the individual s acceptance of and love for the self and the adoption of healthy self care practices

*Successful Failure* Kevin Fredericks, 2025-09-23 Being successful is no laughing matter unless the road there is littered with flops, fool's errands, fizzles, and straight-up failures. From the New York Times bestselling co-author of *Marriage Be Hard*, I'm so happy Kev failed because these stories will set so many free from perfection. Tabitha Brown, bestselling author of *Feeding the Soul*. Kevin Fredericks, aka KevOnStage, is a viral stand-up star, an NAACP Image Award-winning comedian, the founder of KevOnStage Studios, a New York Times bestselling author, and a superstar on social media. But his path to success wasn't always smooth. As a kid, Kevin noticed something useful: If he made people laugh, the grown-ups would let him stay up late. In church, playing his commitment to the role of Goliath led to a busted lip, and the audience couldn't get enough. He dreamed of becoming a performer, of finding that big break that would launch him into the bright lights of pop culture fame. But as he soon found, the road to the life we want is longer, weirder, more embarrassing, and more entertaining than we think it will be. In *Successful Failure*, the comedian recounts hilarious stories and sincere insight from his adventures and misadventures trying to make it in life. From performing under an alias to avoid getting fired from his suit and tie day job to breaking a chair onstage and quitting stand-up for six months from pooping his pants on a bus next to his future wife to starting a clothing line called *Dreams Don't Die*, they sure do if the merch doesn't sell. Kevin reminds readers that while we might not be The Rock, Warren Buffett, or Kevin Hart, we're all out here trying, and that's okay. Laugh out loud in one moment and perceptive in the next. *Successful Failure* is a wild ride from one of America's funniest comics and a sendup of our ideals around hustle culture and success.
