

A photograph showing a woman with blonde hair, wearing a green vest over a plaid shirt and a baseball cap, and a man in a white t-shirt, both leaning into the open rear door of a car. They appear to be assisting someone, possibly an elderly person, out of the vehicle. The background is slightly blurred, showing trees and a building. A red banner with yellow text is overlaid on the right side of the image.

**Random Acts of Kindness** The Editors Press,2021-06-16 Random Acts of Kindness Inspirational Stories Make a commitment to spread kindness wherever you go Being kind doesn t cost anything but it can mean the world to those around you What if all of a sudden everyone started performing daily good deeds This inspiring collection presents true stories of

people who've committed received and observed voluntary acts of kindness. Hearing their stories reveals how these simple small acts of goodness can have a profoundly positive effect in the world. The true stories, thoughtful quotations, and suggestions for generosity in this book will inspire you to live more compassionately and be a kinder person. Join the kindness movement. In 1995, a small group of people at Conari Press, including M.J. Ryan, Will Glennon, and Dawna Markova, came together around the idea that small gestures and simple acts can make a difference in people's lives. Thus, Random Acts of Kindness was born, but they had no idea how big this little idea would become. Soon, instead of the usual two or three letters from readers, they were getting bags of mail from readers submitting their own acts of kindness and stories of compassion. Now, twenty-five years later, over one million copies have been sold, and it is a worldwide movement with National Random Acts of Kindness Week celebrated each February. An inspirational gift of kind words. Sometimes the smallest gesture makes the biggest difference. This little book shows how to start with the small, with the particular, with the individual, in order to make a difference in the world. It features true stories about acts of kindness and generosity of spirit. Suggestions for living more compassionately. Inspirational quotes to get you started. Readers of motivational books and stories like *Chicken Soup for the Soul*, *Random Acts of Kindness: A Pebble for Your Thoughts*, *I've Been Thinking*, or *You Can Do All Things* will love the encouraging inspirational stories in *Random Acts of Kindness*. Unleadership Selen Kars-Ünlüoğlu, Carol Jarvis, Hugo Gaggiotti, 2024-03-04. Leaderly acts and practices from unexpected places are often overlooked and yet have remarkable power. These spontaneous acts are in sharp contrast to those of formal leaders in governments and leading corporations. Global events like the COVID-19 pandemic and the climate crisis light up these differences. This book delves deeper, exploring these leaderly acts and practices more fully and beyond extraordinary events. The authors describe these as *unleadership*, a term defined in this book as a set of acts and practices that are undertaken in a spirit of spontaneity and generosity for social good. Four dimensions of *unleadership* are identified in this book: paying it forward, living with the unknown, catching the wave, and confident connecting and collaborating. *Unleadership* exposes the potential that is unleashed when members of the community discover their own power to act and reclaim what they have delegated to their leaders. Based on extensive research, the authors highlight the flourishing of alternative forms of leading that encourage rethinking ideas of leadership and followership. They provide practical guidance to organisations and practitioners for enriching their leaderly capacity and cultivating *unleadership* practices to co-exist with and complement leadership practices. *Unleadership* is an invaluable resource for leaders and managers in public and private organisations, as well as students of leadership and organisational development.
