Wonders 3' 2006 Ed. , Small Giants Bo Burlingham,2016-10-11 How maverick companies have passed up the growth treadmill and focused on greatness instead It s an axiom of business that great companies grow their revenues and profits year after year Yet quietly under the radar a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals Goals like being great at what they do creating a great place to work providing great customer service making great contributions to their communities and finding great ways to lead their lives In Small Giants

veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own drummer They include Anchor Brewing the original microbrewer CitiStorage Inc the premier independent records storage business Clif Bar Righteous Babe Records the record company founded by singer songwriter Ani DiFranco Union Square Hospitality Group the company of restaurateur Danny Meyer and Zingerman s Community of Businesses including the world famous Zingerman s Deli of Ann Arbor Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create And he shows how we can all benefit by questioning the usual definitions of business success In his new afterward Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book **Lost, Hidden, Small** Kate Haynes Murphy, 2025-10-14 I loved this book for its wisdom message and welcome its depth and its many charms especially the clear and deeply human voice of the author Pastor Kate ANNE LAMOTT In this stirring book of spiritual formation a pastor asks What if the abundant life lies in finding what s been lost uncovering what is hidden and learning to hope in what is small The Christian industrial complex teaches us that whatever is centered celebrated and large is a movement of God and that Jesus is at work in existing structures So why are we surprised that many churches are obsessed with power size and reputation and that people are leaving them in droves Jesus warned us not to expect his reign to resemble the empire He knew it would be hard for us to recognize true faithfulness so he gave us sacred stories In parables we learn of lost coins and sheep and people being found of hidden treasure being uncovered and of small and weak things that heal and transform In the tradition of clergy writers like Barbara Brown Taylor and Gregory Boyle pastor Kate Murphy excavates the wisdom of Jesus s parables She tells stories of failures in the dominant church of broken places within herself and of an exploding watermelon that sends her over the edge Through practices like shalom kinship surrender failure and humility we find our lost selves in Christ seek a God who hides and see the glory of infinitesimal things Living faithfully in a culture of violence hierarchy and supremacy Murphy maintains means following Jesus into weakness loss and even despair But this is not some bitter prescription for a dying church It s the story of how sometimes what seems undesirable actually satisfies Sometimes what looks as if it will diminish you ends up being what saves Sometimes following the way of Jesus means letting yourself be astounded by the authentic grace of what is lost hidden and small The giant's cradle, by S.T.A. Radcliffe, and other stories S. T. A. Radcliffe, 1883 *Shoggoths in Traffic and Other Stories* Tobias S. Buckell, 2021-11-09 Traffic is piling up and strange things are headed your way in this new story collection by World Fantasy Award winning author Tobias S Buckell In these twenty seven stories you ll find inhabitants of a small town who won t vaccinate against a zombie plague a lone sentry keeping motorists from stumbling into something ancient and evil a man who puts stranded ghosts to rest an ex soldier traveling the seas who trades his new life of hardship for a return to swords and blood and many more tales of speculative fiction Buckell s fertile imagination is on display in *Shoggoths in Traffic and Other Stories* as he comments on edgy issues of injustice and offers a thorny path to discover the

Cary Simms: The Small Giant Cassandra Morphy, 2025-09-10 From a young age Cary Simms knew that she wasn't like the other boys her age She was only starting to figure out just how different she really was However she fears that going down that path would place an impenetrable wall between her grandparents and herself Magic always seems to come between them As the fairy mushroom forest dies off more of the peoples hidden within are forced out into the open This includes one small tribe of giants that are more civilized than their brethren When they request to be included in the Unified Alliance of the Magical Realm one of their children is invited to start at TPS on a trial basis Just like Cary he is eager to find acceptance for who he truly is

Think Red Larry Stoess, 2021-09-27 Have you ever wondered what the church would look like if Christians began to take the words of Jesus seriously the words some Bibles print in red What if Jesus actually meant for us to do the things he said What if those who believe in Jesus really did value the things he valued Would the church look different Would your neighborhood stay the same In Think Red Larry Stoess takes a close look at the values the vision and the mission of Jesus and then holds up a mirror for us to see if our communities look anything like Jesus If we dare look in the mirror we may be inspired to leave behind our obsession with consumer based religion and follow the way of Jesus Those who do will be set free to imagine creative and whimsical expressions of community
