You may be like more than 35 million other Americans — you dream of owning a business. In fact, there has never been a better time to start a small business. According to a recent research study by the Entrepreneurial Research Consortium, one out of three U.S. households has someone who is involved in a small business startup. With statistics like these, the odds seem to be in your favor... until you start dealing with the many regulations, laws, and financial requirements placed on twenty-first century business owners.

SmartStart Your Iowa Business goes a step beyond other business how-to books and provides you with:

- ◆ Quick reference to the most current mailing and Internet addresses and telephone numbers for the federal, state, local, and private agencies that will help get your business up and running;
- ◆ State population statistics, income and consumption rates, major industry trends, and overall business incentives to give you a better picture of doing business in Iowa; and
- ◆ Checklists, sample forms, and a complete sample business plan to assist you with the numerous start-up details.
