Interpreting Statutes Suzanne Corcoran, Stephen Bottomley, 2005 Interpreting Statutes was cited 4 times by the High Court in *Momcilovic v The Queen* 2011 HCA 34 8 September 2011 Interpreting Statutes has been written for lawyers and judges who must interpret statutes on a daily basis as well as for students and scholars who have their own responsibility for the future This book takes a new approach to statutory interpretation The authors consider the fundamental importance of context in statutory interpretation across various fields of regulation and explore the problems which arise from the frequent disjunction between regulatory design and subsequent statutory interpretation As a result they bring to the fore fundamental theoretical questions underlying interpretive choice and expand our appreciation of how critical interpretive issues are to the proper functioning of our legal system The book is divided into two parts The first covers several areas dealing with fundamental theoretical issues The second deals with particular areas of the law such as criminal law or corporate law addressing the utility and functionality of the general theories from different legal perspectives and illustrating the fact that different interpretive principles may take precedence in different areas of the law It reveals the complexity of statutory interpretation when applied to actual practice in a particular area of law Despite this complexity and the unique problems of statutory interpretation within each area of law some major themes emerge including the strong influence of constitutional interpretation tension between common law rights and statutory innovation questions about the interaction of domestic law with international law tension between settled judicial principles of interpretation and principles embedded in legislation issues concerning the interpretation of delegated legislation and questions about gap filling and discretion in the interpretation of statutes and codes

Finding Legal Information David Pester, 2003-09-30 Given the

vast amount of legal information available it is sometimes very difficult and certainly very time consuming to know where to start looking for the specific information you require This book covering the most up to date information sources printed and electronic helps guide the reader towards the information they need It is an accessible and easy to use directory of legal information sources for librarians lawyers students and anyone needing legal information The book covers mainly British and European Union law and includes general material and the main subject areas including online and internet sources It also lists reference material such as legal dictionaries and directories The book is essentially a directory of information sources with publishing details including ISBN and short comments where useful Electronic sources are mentioned where relevant with details of scope and any limitations of coverage Comprehensive and up to date covering electronic sources and important legal developments including civil procedure and human rights Covers the massive expansion of information on the web and online services Based on the author s considerable experience thus he has gained a detailed and wide ranging understanding and appreciation of users needs and areas of interest

Employment Rights Richard W. Painter, Keith Puttick, Ann Holmes, 2004-09-20 This new edition of the successful handbook *Employment Rights* is fully updated and revised to include new material on all recent employment law *Employment Rights* is a well established text and reference point on all aspects of labour law in particular those outside the legal profession Coverage is comprehensive and includes recruitment and selection contracts and changes to them wages discrimination unfair dismissal and redundancy health and safety trade union rights and work related benefits This new edition has been expanded to include coverage of developments such as the Employment Act 2002 Tax Credits Act 2002 EC Employment Social Policy the European Convention of Human Rights and reform of the Disability Discrimination Act 1995 and the Industrial Tribunals Act 1996

Sexuality and Identity Leslie J. Moran, 2017-11-30 Born in the late nineteenth century sexuality is a relatively new category within the human sciences in general and law and society scholarship in particular Despite its novelty it is now a central category through which we understand ourselves both as individuals and as members of communities This volume offers a collection of essays selected to reflect the ever widening horizons and diverse methodologies of law and society scholarship on sexual and identity in law The essays offer an insight into some of the key themes and recent developments in this body of work Each in different ways offers an evaluation of the nature meaning and effects of sexuality thereby providing a critical evaluation of the politics of sexual identity as it appears in and through the law

The Industrial Law Journal , 1989 Industrial law journal provides comment and in depth analysis on a wide range of topics relating to employment law Its scope includes coverage of newly enacted legislation and proposals for law reform Industrial law journal also carries commentary on relevant government publications and reviews of books relating to labor law

An Introduction to Law Phil Harris, 2006-12-14 Since the publication of its first edition this textbook has become the definitive student introduction to the subject As with earlier editions the seventh edition gives a clear understanding of fundamental legal concepts and their importance within society In

addition this book addresses the ways in which rules and the structures of law respond to and impact upon changes in economic and political life The title has been extensively updated and explores recent high profile developments such as the Civil Partnership Act 2005 and the Racial and Religious Hatred Bill This introductory text covers a wide range of topics in a clear sensible fashion giving full context to each For this reason An Introduction to Law is ideal for all students of law be they undergraduate law students those studying law as part of a mixed degree or students on social sciences courses which offer law options
