Smoky Mountain Mysteries Juanitta Baldwin, Suntop, Incorporated, 2002-01-01 [A Smoky Mountain Mystery](#) Steve Demaree, 2014-04-12 A woman finally convinces her wealthy husband that they should take a vacation. He is not an outdoorsman and works long hours so she is surprised when he chooses a chalet in the Smoky Mountains outside of Gatlinburg, Tennessee. All is fine the first few days of their vacation and then she receives a phone call telling her that someone is trying to kill her. Then her husband disappears. Notes are left on the chalet's doorstep. She receives text messages that are threatening. She is told where to go and when. It is obvious that more than one person is involved and they are not working together. She keeps seeing the same strangers over and over but none of them threaten her in person. She has no one to turn to and she is not sure who to trust and who not to trust. She is not even sure of those who work in law enforcement. She attempts to continue to try to enjoy her vacation wondering if her husband will return while all the time she is looking over her shoulder.

Now she spends her days working as a rural home health care nurse, making calls on a quirky roster of housebound characters she's determined to take care of whether they cooperate or not. She applies this same optimism to her love life despite the fact that she's been dating for 38 years without locating any husband material. When she runs into her childhood sweetheart Henry Matthews, a wildlife ranger for the Great Smoky Mountains National Park, it looks like she might've found her man. But Phoebe and Henry's chance for romance has to be put on hold while they undertake a desperate search for a young woman who mysteriously vanished from the park during a gathering of world-famous biologists and botanists, including a charismatic Frog Whisperer.
