Some American History

Andrew F. Smith

Some American History:

SOME AMERICAN HISTORY, 1971 **Food and Drink in American History** Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history *The Journal of American History*, 1917 *Sports in American History* Gerald R. Gems, Linda J. Borish, Gertrud Pfister, 2022-04-19 Sports in American History From Colonization to Globalization Third Edition With HKPropel Access helps students grasp the compelling evolution of American sporting practices This text examines sports history as a social and cultural phenomenon generates a better understanding of current practices in sport and considers future developments in American sport This comprehensive resource explores sport through various historical periods including premodern America colonial times and the modern era Sports in American History Third Edition features critical new content that will provide a framework for understanding how and why sport intersects with many facets of American society Examination of how women racial minorities and ethnic and religious groups have influenced U S sporting culture Highlights of contemporary issues affecting sport in the twenty first century including the Covid 19 pandemic social justice movements changes in name image and likeness policy and sports technology Reorganized content about sporting experiences in early America that highlight the most influential moments Updated People and Places features and International Perspective sidebars that introduce key figures in sports history to provide a global understanding of sport Full length articles from the scholarly journal Sport History Review delivered online through HKPropel that supplement the article excerpts and associated discussion questions found in the text Sports in American History Third Edition is unique in its level of detail broad time frame and focus on the evolving definitions of physical activity and games Primary documents including newspaper excerpts illustrations photographs historical writings quotations and posters provide firsthand accounts that will not only inform and fascinate students but also provide a well

rounded perspective on the historical development of American sport Time lines of major milestones in sport and society provide context in each chapter and an extensive bibliography features primary and secondary sources in American sports history A starting point into the intriguing field of sports history this book will help students better understand the complexities of sport in the American experience and grasp how cultural factors and historical events have shaped sport differently in the United States than in other parts of the world Note A code for accessing HKPropel is not included with this ebook but may be purchased separately

Papers of the American Historical Association ,1890 **Library of American History** Samuel Lorenzo Knapp,1839 *The Magazine of American History with Notes and Queries* Martha Joanna Lamb,John Austin Stevens,Henry Phelps Johnston,Benjamin Franklin DeCosta,Nathan Gillett Pond,William Abbatt,2024-08-06 Reprint of the original first published in 1879 [Annual Report of the American Historical Association](#) American Historical Association,1908

Teaching American History in a Global Context Carl J. Guarneri,Jim Davis,2015-07-17 This comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of American history It includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view The contributors include well known American history scholars as well as gifted classroom teachers and the book s emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education America in the World and the World in America in their courses The book also includes a Views from Abroad section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants A comprehensive annotated guide directs teachers to additional print and online resources

Chinese America: History and Perspectives 2001 ,2001
