A Life Experience As No Other: Dare to Seize The Day Together Jennifer Lazarow, Jeffrey Lazarow, 2017-02-13 Six years ago two ordinary people that s us set off on an affordable adventure that has enhanced our lives beyond expectation In fact as we approach our mid sixties we exclaim this period to be the most exciting of all Perhaps a fascinating aspect of the concept is that it s available to many people need only identify their desire from life and then pursue it seize it We found our passion it follows that we understand our purpose We embarked on this ongoing journey by giving up our physical home and storing our movable possessions and took to living on the road as we travel in many parts of the world in search of exciting and challenging hikes As we struggle and sweat up and down the mountain slopes the loving relationship we enjoy is further bonded while we face the risks and pleasures on display in this endlessly beautiful planet We don t limit ourselves to a fixed abode rather we try to inhabit the world albeit tiny bits Years before we developed a fascination for hiking particularly to mountain peaks however it could be any activity As an ancillary benefit we discovered the enthrallment of meeting interesting people and being enveloped in different cultures and customs a truly broadening experience The natural beauty existing in the world is beyond belief and seems infinite especially as no scene ever repeats itself The taste of freedom as we became liberated from the daily grind of city life and material possessions is something we never envisioned we always believed we were free Perhaps above it all a process of discovery and self growth has stimulated more meaning and understanding within our lives We also realize the foregoing is but the beginning as we race against the inevitable diminishing of time and good health that stalks us all The book provides visuals in the form of a limited selection of photographs attesting to our adventures The text discusses some personal philosophy anecdotes and experiences of living on the road and in the wilds including incidents and humorous occurrences that make for a full and rounded life **Life**

Development: Enhance Your Life Experience Dayanara Blue Star, Thank you for choosing this fantastic guide. *Psychic Development: Enhance Your Life Experience* The unique thing about this book is that it is a black and white text that you either have or you don't. Most people have a little psychic power within them, whether they realize it or not. They don't learn the basics of psychic development for beginners. To understand how psychic work is helpful to you, think of psychic ability like musical talent. Most people have a great natural ability, but while their natural ability is a factor, the bigger difference is how hard you exercise it. Let's get started. *Coffee Chat on Improving the Quality of Our Life Experiences*
