Some People:

Sentiments and Reflections of a Black Man Clint B. Walker, 2011-05-26 This book of poems were written in the attempt to get Gods message out I had a heavenly encounter with God and was taken out of body mind or spirit I can not really tell which but I know it was for the purpose of uniting all people for the common good Some of these poems deals with secular life and some are written from a more spiritual venue but as Jesus use parables to explain the good and bad of our actions so have I been instructed to do as well When we dabble in things that has no profit only destruction then there is an equal reaction to all actions These words are the inspired works of God and will truly bless all that read them They will offer inspiration courage guidance and wisdom If the reader keeps an open mind and let the Holy spirit talk to their subconscious Gods words do not go away into the void but they accomplish what they are sent out to accomplish This book will have a universal appeal to all its readers and will give all readers a greater insight into the mind of the author whom happens to be a black man but more important a child of God Its purpose is to unite all races to come together as one people There is no difference between the Jew and Greek bond nor free for whosoever calls on the name of the Lord will be saved I profess we all are whosoever whether red yellow black brown or white we are all precious in Gods sight Read these poems with an open mind and a receptive heart and I guarantee you will be truly blessed by reading them as I was blessed by writing them May God bless all of his children with good health happiness and prosperity is my hearts desire and prayer *Personality*

Judgment David C. Funder, 1999-08-16 Accuracy in judging personality is important in clinical assessment applied settings and everyday life Personality judgments are important in assessing job candidates choosing friends and determining who we can trust and rely on in our personal lives Thus the accuracy of those judgments is important to both individuals and organizations In examining personality judgment Personality Judgment takes a sweeping look at the field s history assumptions and current research findings The book explores the construct of traits within the person situation debate defends the human judge in the face of the fundamental attribution error and discusses research on four categories of moderators in judgment the good judge the judgeable target the trait being judged and the information on which the judgment is based Spanning two decades of accuracy research this book makes clear not only how personality judgment has come to its current standing but also where it may move in the future Covers 20 years worth of historical current and future trends in personality judgment Includes discussions of debatable issues related to accuracy and error The author is well known for his recently developed theory of the process by which one person may render an accurate judgment of the personality traits of another **Too Like the Lightning** Ada Palmer, 2016-05-10 From the winner of the 2017 John W Campbell Award for Best New Writer Ada Palmer s 2017 Compton Crook Award winning political science fiction Too Like the Lightning ventures into a human future of extraordinary originality Mycroft Canner is a convict For his crimes he is required as is the custom of the 25th century to wander the world being as useful as he can to all he meets Carlyle Foster is a

sensayer a spiritual counselor in a world that has outlawed the public practice of religion but which also knows that the inner lives of humans cannot be wished away The world into which Mycroft and Carlyle have been born is as strange to our 21st century eyes as ours would be to a native of the 1500s It is a hard won utopia built on technologically generated abundance and also on complex and mandatory systems of labelling all public writing and speech What seem to us normal gender distinctions are now distinctly taboo in most social situations And most of the world s population is affiliated with globe girdling clans of the like minded whose endless economic and cultural competition is carefully managed by central planners of inestimable subtlety To us it seems like a mad combination of heaven and hell To them it seems like normal life And in this world Mycroft and Carlyle have stumbled on the wild card that may destabilize the system the boy Bridger who can effortlessly make his wishes come true Who can it would seem bring inanimate objects to life Terra Ignota 1 Too Like the Lightning 2 Seven Surrenders 3 The Will to Battle At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
