Some Tame Gazelle

Barbara Pym

Some Tame Gazelle:

Some Tame Gazelle Barbara Pym, 2013-01-22 A novel of two sisters in postwar England that lets you step into the Jane Austen like lives of Harriet and Belinda Bede The Christian Science Monitor Belinda and Harriet Bede live together in a small English village Shy sensible Belinda has been secretly in love with Henry Hoccleve the poetry spouting married archdeacon of their church for thirty years Belinda s much more confident forthright younger sister Harriet meanwhile is ardently pursued by Count Ricardo Bianco Although she has turned down every marriageable man who proposes Harriet still welcomes any new curate with dinner parties and flirtatious conversation And one of the newest arrivals the reverend Edgar Donne has everyone talking A warm affectionate depiction of a postwar English village Some Tame Gazelle perfectly captures the quotidian details that make up everyday life With its vibrant supporting cast it s also a poignant story of unrequited love

Some Tame Gazelle Barbara Pym, 1983 **Some Tame Gazelle** Barbara Pym, 1950 One of my favorites of Pym s novels it turns a shrewd mocking but always affectionate eye on English country life 30 years ago Pym s fans will feel completely at home when they step into the Jane Austen like lives of Harriet and Belinda Bede Christian Science Monitor

Some Tame Gazelle Barbara Pym (romancière).), 1984 **The Barbara Pym Collection Volume One** Barbara Pym, 2018-04-10 Three comedies of manners set in postwar England by the New York Times bestselling author of *Excellent Women* and the rarest of treasures *Anne Tyler* Often characterized as the twentieth century literary heiress to Jane Austen and heralded by Phillip Larkin as the most underrated novelist of the century Barbara Pym explored female friendship and the quiet yearnings of British middle class life not the least of which unrequited love with sharp wit and deep compassion for her characters No wonder Eudora Welty called her work sheer delight and the New York Times raved her entire canon is a treat *A Glass of Blessings* Wilmet Forsyth is bored with her everyday routine teatimes local gossip even with her husband Rodney a civil servant who dotes on her But Wilmet s conventional life takes a turn when she runs into the enigmatic brother of a close friend Piers Longridge is a mystery Wilmet is determined to solve Driven by a fantasy of romance the sheltered naive Englishwoman sets out to seduce Piers only to discover that he isn t the man she thinks he is Some Tame Gazelle Pym s debut novel invites readers to step into the Jane Austen like lives of Harriet and Belinda Bede sisters who live together in a small English village The Christian Science Monitor Shy sensible Belinda has been secretly in love with the married archdeacon of their church for thirty years Meanwhile Belinda s more confident younger sister Harriet is herself pursued by an Italian count whose proposals of marriage are always graciously declined But it s a new arrival in their midst who has everyone talking For now in this poignant novel of unrequited love that is enough Jane and Prudence Jane Cleveland and Prudence Bates were friends at Oxford but now lead very different lives Jane is married to a vicar in a proper English parish with a daughter she adores Prudence lives in London career minded and fiercely independent until Jane decides she should be married Jane has the perfect husband in mind What follows is a delightfully trenchant story of manners morals family and

female bonding that redefines the social novel for a new generation *Reading Barbara Pym* Deborah Donato, 2005 Reading Barbara Pym stakes out new territory in Pym criticism by questioning the assumptions and predispositions by which her novels have been received and judged Early in Pym's career reviews of her novels likened her books in relaxed fashion to delicious tastes and smells Later when mentioned twice in a TLS survey as one of the century's ten most underrated novelists secured and altered her critical reception and since her death in 1980 commentary in oppositely vigilant fashion discovered in Pym's novels academic themes and gender political issues ripe for exploration But the traditional concerns of academic and popular criticism have sidestepped the more challenging task of locating the power and quality of Pym's narrative the reasons her novels are important to read personally as well as study academically **The Reality behind Barbara Pym's Excellent Women** Robin R. Joyce, 2023-02-20 This book analyses Barbara Pym's published and unpublished work through a new image that of the troublesome woman It details the political nature of her work highlighting her feminist ideas which are hidden in village like settings and revealed by troublesome women By exploring Pym's written work published and unpublished diaries and notebooks the book shows that this material gives credence to Hilary Pym's interpretation of her sister as a complex person **Songs, Ballads, and Other Poems** Thomas Haynes Bayly, 1844 **The Older Woman in Recent Fiction** Zoe Brennan, 2014-12-09 This critical study explores late twentieth century novels by women writers including Doris Lessing May Sarton and Barbara Pym that feature female protagonists over the age of sixty These novels discourses on aging contrast with those largely pejorative ones that dominate Western society They break the silence that normally surrounds the lives of the aged and this book investigates how older female protagonists are represented in relation to areas such as sexuality dependence and everyday life Beginning with an investigation of popular opinions about aging and a survey of hypotheses from disciplines including gerontology psychology and feminism the text reviews literary critical attitudes toward fictions of aging analyzes representations of physically dependent characters whose anger over their failing bodies is often eased by relationships with their female friends discusses how paradigms of female sexuality exclude the possibility of older women being sexually desirable examines characters that live a contented life finding a more polemical side to them than is noted in more conventional literary critiques and analyzes the aged sleuth in classical detective fiction **Barbara Pym** Orphia Jane Allen, 1994 Encourages the teaching of Pym's novels and assists scholars in the critical study of Pym's contribution to English literature
