Hug Someone You Love Today Michael A. Pickles, 2012-02 During my fourth year of teaching I had the great privilege of working with an amazing educator by the name of Miss Bezanson She taught a grade four class to whom I taught Physical Education Therefore I had the opportunity to socialize with her on a daily basis About six months into the school year Miss Bezanson gave me something that would forever change my teaching techniques and my life although I did not realize it at that moment One afternoon I was in Miss Bezanson's class discussing a student who was displaying increasing behavioural problems in my Physical Education class Sensing that I was experiencing tremendous stress as a result of this student she gave me something that touched my heart and reinforced an important life lesson She handed me a small paper card entitled *Hug Someone You Love Today* That was it No preachy sermon or fancy teaching strategies At that moment I realized that maybe all that child needed was a simple hug A sign of affection which he may or may not have been receiving at home So the next day I gave him a *Hug Someone You Love Today* card From that day forward I never had another major problem with that student It was absolutely amazing In this book I will share with you some of the heart felt true stories that I have accumulated over the years as a result of passing out these *Hug Someone You Love Today* cards along to those in need These are stories about normal folks like you and I whose lives have been positively changed as a result of receiving this simple card As you read these stories hopefully you will begin to feel more peaceful and loving yourself
