

The Lonely Horse

By: Marilyn Lott

I'm out in the field
Roaming the vast prairie
Waiting for somebody
To come and visit me
[...]

I'm quite a handsome fellow
Just look here for yourself
Sometimes I feel my owner
Has put me on the shelf

I'm good for many things
I could win as a show horse
If someone only entered me
Into a show of course

But pretty soon I know
The kids will come on by
Visit me and ride me
And on by back they'll fly!

Some Rescues Poems:

Some Rescues Michael Carrino, 1994-01-01 Storm Shelter Poems for the Children of God Richard O. Jones, 2010-06-24

This book was especially written for spiritual people on a spiritual journey that are receptive to a little poetic philosophy along the way People that are drowning in a sea of false accusations riding high in the saddle but can't stand the horse have big money but low self esteem living in sin and enjoying every moment or living right but feeling bad can personally relate to many of the poems in this book People that are in the throes of affliction but refuse to surrender this book will become your amen corner while provoking reflection and deep thought When the big party is over and all your fair weather guests are gone this book helps clean up the aftermath The scrapes scratches and healed wounds of life inspired the author to poetically encourage and guide readers through the emotional swampland of tomorrow and fear no evil These poems do not imply that the road is not rocky and the sky is not cloudy nor will the sun brighten your every day This book is not intended to eradicate your storms but only to become your umbrella with only a couple microscopic leaks

Rescuing the Subject Susan Miller, 2004 When it was first published in 1989 *Rescuing the Subject* established a landmark pedagogical approach to composition based on the importance of the writer and the act of writing in the history of rhetoric Widely used as an introduction to rhetoric and composition theory for graduate students the volume was the first winner of the W Ross Winterrowd Award from JAC and is still one of the most frequently cited books in the field

C. P. Cavafy: The Unfinished Poems C.P. Cavafy, 2009-04-07 A remarkable discovery an extraordinary literary event the never before translated *Unfinished Poems* of the great Alexandrian Greek poet Constantine Cavafy published for the first time in English alongside a revelatory new rendering of the *Collected Poems* translated and annotated by the renowned critic classicist and award winning author of *The Lost When* he died in 1933 at the age of seventy C P Cavafy left the drafts of thirty poems among his papers some of them masterly nearly completed verses others less finished texts all accompanied by notes and variants that offer tantalizing glimpses of the poet's sometimes years long method of rewriting and revision These remarkable poems each meticulously filed in its own dossier by the poet remained in the Cavafy Archive in Athens for decades before being published in a definitive scholarly edition in Greek in 1994 Now with the cooperation and support of the Archive Daniel Mendelsohn brings this hitherto unknown creative outpouring to English readers for the first time Beautiful works in their own right from a six line verse on the birth of a poem to a longer work that brilliantly paints the autumn of Byzantium in unexpectedly erotic colors these unfinished poems provide a thrilling window into Cavafy's writing process during the last decade of his life the years of his greatest production They brilliantly explore often in new ways the poet's well established themes identity and time the agonies of desire and the ironies of history cultural decline and reappropriation of the past And like the *Collected Poems* the *Unfinished Poems* offers a substantial introduction and notes that provide helpful historical textual and literary background for each poem This splendid translation together with the *Collected Poems* is a cause for celebration the

 Goethe New Poetry by Elizabeth Dandy Elizabeth Dandy,2007 *Living Name* Mark Halliday,2025-03-20 Living Name is
 a collection of essays on American poetry written by an expert practitioner of that art Poet and critic Mark Halliday turns his
 attention to the work of poets who interest him because they create convincing voices of people dealing with the everyday
 Instead of trying to survey the vast variety of modern poetry Halliday considers an idiosyncratic selection of poets he finds
 compelling for their originality of style and exploration of human possibilities including Walt Whitman Kenneth Fearing
 Kenneth Koch Robert Pinsky Rachel Wetzsteon Tony Hoagland Claire Bateman and Dean Young Each essay includes
 thorough close readings of individual poems reflecting a commitment to the idea that a poem as a work of art needs to be
 appreciated as a unified whole Halliday's writing is judicious and meditative but not overly scholarly or academic A long
 piece at the beginning of the book Poetry and the Rescue of Particulars argues that poems often attempt to reclaim the
 details of our usual routines from the chaotic confusion and noise of daily existence The impulse to write a poem Halliday
 believes often stems from the notion that representing in poetry a sliver of human life keeps it in the world as a trace of the
 vanishing moment is retained and endowed with some form of lasting reality Throughout Living Name Halliday enacts the
 allegiances that have driven his criticism for many years to listen for genuine voices in poetry to study whole poems not
 merely passages and to look for intelligent efforts to illuminate truths of human experience **Poetry in Our Time** Eddie
