volume **America's Songs** Philip Furia, Michael Lasser, 2006-05-12 America's Songs tells the stories behind the most beloved popular songs of the last century. We all have songs that have a special meaning in our lives; hearing them evokes a special time or place. Little wonder that these special songs have become enduring classics. Nothing brings the roaring 20s to life like "Tea for Two" or "I'm Just Wild About Harry." The Great Depression is evoked in all of its pain and misery in songs like "Brother Can You Spare a Dime." "God Bless America" revives the powerful hope that American democracy promised to the world during the dark days of World War II. "Young at Heart" evokes the postwar optimism of the 50s. And then there are the countless songs of love, new romance and heartbreak. As time goes by, always, "Am I Blue?" the list is endless. Along with telling the stories behind these songs, America's Songs suggests simply and succinctly what makes a song great. The book illuminates the way each great song melds words and music, sentiment and melody into a seamless whole. America's Songs also traces the fascinating but mysterious process of collaboration, the give and take between two craftsmen, a composer and a lyricist, as they combined their talents to create a song. For anyone interested in the history of the songs that America loves, America's Songs will make for fascinating reading. **The Unspoken Journey of Life** Lerato Nthathi Dorah Tsamai, 2012-03-19 This autobiography reveals the life of Lerato Nthathi Dorah Tsamai, achieving success against the odds. An honest and graphic true story. Her life. Her soul. Surviving. Healing and thriving after an abusive marriage. In the first part of her story, she lays bare the lifelong difficulties she survived in her life and how she met her violent husband. The mistake she made for choosing to be with the wrong person. The lessons that you learn from this book are broad, deep, profound and practical as they had been developed from her true life story of real experience of diverse gained from within her abusive life. How she wanted so much to become a butterfly and give up being a caterpillar. Indeed, there were no justifications, resentments; she wished to walk along the extra mile and enjoy inner peace and success on every step of the path. By becoming more loving towards herself to attract more of the higher, faster energies and begin to change what's inner her. In her thought to cultivate an inner voice and altitude that's hundred percent of the time for herself. She was not afraid or discouraged for the Lord, God, her God was with her. He did not fail her or forsake her. No matter how serious her problems were, God's love was greater. She put her trust in him for nothing is surer than the power of God's love. She always remembers that God is her refuge from all harms and underneath this refuge are the everlasting arms, so she cast her burden to him. She seeks his counsel when distressed and went to him for comfort when she was lonely and oppressed for God is her encouragement in trouble, trials, suffering and in sorrow. He turned her tears to smiles. For there's absolutely nothing too much for God to do. *American Singing Groups* Jay Warner, 2006-04 Offers a decade-by-decade history of American singing groups from the Ames and Mills Brothers to the Platters and the Beach Boys to Destiny's Child, the Backstreet Boys, N Sync and many others, covering more than 380 artists and furnishing information on each group's career, key members, influences, photos and discographies.
