Someone Behind The Door:

The Women Behind the Door Roddy Doyle, 2025-09-09 Booker Prize winner Roddy Doyle's spectacular return to his iconic character Paula Spencer whom he originated in the groundbreaking *The Woman Who Walked Into Doors* and its follow up *Paula Spencer* There is not a writer currently working in English who can match Doyle for the fluency with which he tacks back and forth between the hilarious and the heartbreaking *The New York Times* At sixty six Paula Spencer mother grandmother widow addict survivor is finally living her life A job at the dry cleaners she enjoys a man Joe with whom she shares what she wants friends who see her for who she is and four grown children now with families and petty dramas the likes of which Paula could only have hoped for Despite its ghosts Paula has started to push her past aside That is until Paula's eldest Nicola turns up on her doorstep Independent affluent a loving wife and mother a success Nicola is suddenly determined to leave it all behind Over the next few days Nicola gradually confides in Paula the secret that unleashed this moment of crisis and mother and daughter find themselves untangling anecdotes jokes memory and revelation to confront the bruised but beautiful symmetry of what each means to the other The next sequence in the life of Roddy Doyle's quietly remarkable ever memorable Paula Spencer *The Women Behind the Door* is a delicately devastating portrait of shame and the inescapable shadow it casts over families

Just Behind the Door Mary Leiker, 2012-04-17 The author explains how May 16th 1999 changed her life forever She experienced the loss of two high school seniors and that evening the call came through to tell her that her son in Colorado had also been killed Her first born with his bigger than life personality was gone The words surreal and gut wrenching were her constant companions Exactly six months later her Mom had one heart pain went into a coma and died She had frequently told her Mary when the last leaf is gone from that tree I will be leaving She gave her the gift of time to emotionally survive her son's death Mary shares with you the recorded messages she has received for over a decade from her family on the other side to give you hope Through her experiences you will know that unconditional love and connection continue to exist when you believe in the possibility Our loved ones do not disappear into the cosmos after their death Their energy remains around us forever You can reconnect with your loved ones as she has and achieve peace and assurance that as her son has repeatedly told her Mom all is as it should be

Behind the Door Mary SanGiovanni, 2018-08-28 Occult specialist Kathy Ryan returns in this thrilling novel of paranormal horror from Mary SanGiovanni the author of *Chills* Some doors should never be opened In the rural town of Zarepath deep in the woods on the border of New Jersey and Pennsylvania stands the Door No one knows where it came from and no one knows where it leads For generations folks have come to the Door seeking solace or forgiveness They deliver a handwritten letter asking for some emotional burden to be lifted sealed with a mixture of wax and their own blood and slide it beneath the Door Three days later their wish is answered for better or worse Kari is a single mother grieving over the suicide of her teenage daughter She made a terrible mistake asking the powers beyond the Door to erase the memories of her lost child And when she opened the

Door to retrieve her letter she unleashed every sin secret and spirit ever trapped on the other side Now it falls to occultist Kathy Ryan to seal the door before Zarepath becomes hell on earth Praise for the novels of Mary SanGiovanni A feast of both visceral and existential horror F Paul Wilson on Thrall Filled to the brim with mounting terror Gary A Braunbeck on The Hollower A fast building high tension ride James A Moore on The Hollower **California.
