

McCarthy, the author of *The Road*, *The Orchard Keeper*, and other novels, has written a book that is as much a meditation on the human condition as it is a story. In *Outer Dark*, McCarthy tells the story of a man who is born in a small town in the West and who, after a long and difficult journey, finds himself in a small town in the East. The book is a masterpiece of storytelling, and it is a book that every reader should read.
