Congress. Senate. Judiciary, 1952 *A Parent/Teacher Guide to Children's Books on Peace and Tolerance* Bob Blumenthal, 2005 How do you teach children to value peace and appreciate diversity One way is to provide them with books with themes that promote these ideas The Parent Teacher Guide to Children's Books on Peace and Tolerance offers readers a wide variety of award winning titles along with annotations and grade level recommendations The book is divided into the following sections Preschool grade three Grades 4 6 Middle school and High school Each section has over 100 listings Topics include civil rights the Holocaust slavery Native Americans bullying war child abuse bigotry cooperation acceptance apartheid family relationships Arab Israeli conflict controlling anger the Civil War the Vietnam War WWII gays and lesbians and other social issues Many of these books are the recipients of the following awards and honors Newbery Award School Library Journal starred review Caldecott Award Boston Globe Horn Book Award American Library Association Notable Book Jane Addams Children's Book Award American Bookseller Pick of the List Kirkus Reviews starred review Publishers Weekly starred review Booklist starred review Coretta Scott King Award VOYA Top Picks National Book Award and the Michael L Printz Award This guide is an excellent resource for parents who would like their children to become peace loving accepting adults Teachers who are looking for books to supplement their curriculum will find the suggested titles to be among the best written works in the designated areas For example one would be hard pressed to find a better written book on the Holocaust for middle and high school students than *I Have Lived One Thousand Years* The author has done a great service by providing parents and teachers with a list of books that cannot be found anywhere else **Bright Young People** D. J. Taylor, 2024-07-02 Jam-packed and delicious crammed with a cast of selfish feckless darling talented almost terminally eccentric good looking men and women Carolyn See The Washington Post Before the media circus of Britney Spears Paris Hilton and our modern obsession with celebrity there were the Bright Young People a voraciously pleasure seeking band of bohemian party givers and blue blooded socialites who romped through the gossip columns of 1920s London Evelyn Waugh immortalized their slang their pranks and their tragedies in his novels and over the next half century many from Cecil Beaton to Nancy Mitford and John Betjeman would become household names But beneath the veneer of hedonism and practical jokes was a tormented generation brought up in the shadow of war Sparkling talent was too often brought low by alcoholism and addiction Drawing on the virtuosic and often wrenching writings of the Bright Young People themselves the biographer and novelist D J Taylor has produced an enthralling account of an age of fleeting brilliance An ultimately elegiac narrative with a surprising amount

of intellectual and emotional sympathy The New York Times Engaging Taylor's skillful reconstruction of the whole hazy time feels like a lasting party favor NPR Incisive and richly detailed The New York Times Book Review A poignant study of the elusive relationship between art and the social world from whence it springs The New York Observer A splendid social history By placing generational tensions and tenderness center stage Taylor gives his book a beating emotional heart Los Angeles Times Book Review Entertaining and incisive The Boston Globe Fascinating The Wall Street Journal Compelling and ultimately touching The Guardian **Knowledge, Power and Young Sexualities** Tamara Shefer, Jeff Hearn, 2022-07-27

This book troubles the ways young people have been constructed as trouble through critical readings of the effects and impacts politically and ideologically globally and locally of scholarship and practice directed at South African young people's sexualities over the last three decades of addressing HIV GBV and other sexual and gender justice challenges Located primarily in South Africa the book speaks to global concerns about the politics of knowledge and transnational flows of information and practice with respect to gender and sexuality and is framed by global imperatives and analyses located in transnational postcolonial and intersectional feminist frameworks The key argument developed here and explored in relation to several different forms of research and practice is that efforts to challenge HIV GBV and unequal sexual and gender practices among young people particularly as evident in heterosexual relationships have tended to reflect and reproduce renewed orthodoxies about sexuality gender family and young people while bolstering global and local racist classist othering of certain communities and nation states and reiterating the innocence and authority of those already privileged and centred The book contributes to critical reflexive work on global practices of knowledge and its complex enmeshment with power in the terrain of sexual and gender justice work aimed at young people Social Justice in Practice in Education Janice Wearmouth, Karen Lindley, Uvanney Maylor, James Shea, 2024-04-12 Exploring Social Justice in Practice in Education focuses on the tensions and challenges to issues of fairness and social and cognitive justice in the sphere of education The terms fairness and social and cognitive justice are often used to justify particular policies and practices in the sphere of education In providing a clear definition of what they should mean in practice this book includes a discussion of and in some cases potential resolutions to tensions and challenges in relation to notions of fairness and social and cognitive justice that are implicit within individuals' lived experiences across all phases of education Through their personal narratives the authors illustrate how such tensions and challenges have played out in their own lives They go on to explore differences in interpretations and consequent challenges in putting concepts of social justice into practice Chapters consider important implications across different sectors and phases of education including special educational needs leadership and higher education This insightful volume will enable educators at all levels to hear from students' family members significant adults carers and professionals their experiences of fairness and social justice in education and about what could be done in the future to redress injustices It will appeal to readers at all levels in education including those studying for or teaching
