Sometimes A Great Notion Poems:

Sometimes a Great Notion David Donnell, 2014-05-20 Long admired for his books of poetry most recently *China Blues* and *Dancing in the Dark* David Donnell's poems continue to surprise and amaze us with their cool jazz of spontaneity and imaginative logic A sensual and intellectual feast *Sometimes a Great Notion* is a deconstruction of the contemporary artist's life it's also a tough compassionate look at the future of the future and our philosophy of love Culinary adventures and geography juxtapose with Japanese culture erotic interludes are interrupted by notes on Alex Colville giving us the clearest picture of convergence theory we've had since Marshall McLuhan was a young man Here in poems like *Luce* or *Pillows* Donnell pushes the boundaries of minimalism in original and subtle ways and succeeds like peach ice cream on a hot day Moment after moment this is a provocative and refreshing book

Sometimes a Great Notion Ken Kesey, 2006-08-29 The magnificent second novel from the legendary author of *One Flew Over the Cuckoo's Nest* Following the astonishing success of his first novel *One Flew Over the Cuckoo's Nest* Ken Kesey wrote what Charles Bowden calls one of the few essential books written by an American in the last half century This wild spirited tale tells of a bitter strike that rages through a small lumber town along the Oregon coast Bucking that strike out of sheer cussedness are the Stampers Out of the Stamper family's rivalries and betrayals Ken Kesey has crafted a novel with the mythic impact of Greek tragedy For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Moral Authority in Seamus Heaney and Geoffrey Hill* Bridget Vincent, 2022 Studies the work of Seamus Heaney and Geoffrey Hill to present new perspectives on the way literature communicates moral knowledge

My Little Book of Poetry Melvin Yeager, 2020-12-22 *My Little Book of Poetry* By Melvin Yeager *My Little Book of Poetry* is Melvin Yeager's collection of poems that span over several years of his life After retirement and a divorce from his third wife he used his newfound free time for recreation fishing and bowling being the most prominent When these activities turned out to be more of a chore he ventured to western Oregon to fish in various lakes rivers and streams Eventually the lure of the sea caught his attention When he would grow bored on weather delays he sat at his computer and composed the collection within these pages The poems came to him quickly and then vanished If you don't enjoy his poetry Yeager says the pages can still be put to good use as fire starter

A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are
