

Somewhere in the Night

Music by RICHARD KERR
Words by WILL JENNINGS

Moderately slow

Time, you found time e-nough to love, and I found love e-nough to

hold you. So to-night I'll stir the fire you feel in-side

un-til the flames of love en-fold you. Lay-in' be-side you.

Somewhere In The Night

Allen Francis Foley

Somewhere In The Night:

In the Night Time (Before the Sun Rises) Nina Segal,2016-02-15 A baby cries A bottle breaks A window smashes Over the course of one night mum and dad try to still their screaming infant but as the hours grow longer the world becomes elastic around them and the horrors that scar our planet crash in to the baby s room Should they ever have brought this child into such a wounded world

Yours Is the Night Amanda Dykes,2021-08-03 A mysterious song in the forest A discovery in war torn France A journey toward hope The trenches of the Great War are a shadowed place Though Platoon Sergeant Matthew Petticrew arrived there with a past long marked by shadow the realities of battle bring new wounds carving within him a longing for light and a resolve to fight for it One night Matthew and his comrades are enraptured by a sound so pure a voice so ethereal it offers reprieve even if only for a moment Soon rumors sweep the trenches from others who have heard the lullaby too The Angel of Argonne they call the voice a mysterious presence who leaves behind wreaths on unmarked graves Raised in the wild depths of the Forest of Argonne Mireilles finds her reclusive world rocked when war crashes into her idyllic home taking much from her When Matthew and his two unlikely companions discover Mireilles they must embark on a journey that will change each of them forever and perhaps at long last spark light into the dark On the 100th anniversary of the dedication of the Tomb of the Unknown Soldier comes an emotive tale inspired by the courageous soldiers of World War I

Am I Someone (The Poetry) Allen Francis Foley,2001-03-23 AM I SOMEONE The Poetry is best described as a communion of words written from the heart a place of truth The author may best be described as the Rod McKuen of the 90 s and beyond He plunges deep into self deep into glorious and painful memories and deep into a conscious unconscious life And then he begins all over again Here is one heart and one mind reaching out to touch the hearts and minds of others Dreams achieved through the words and emotions stirred through and through by never doubting he has loved Love had Love lost Love abused and misused And love the substance of miracles when all else fails in a world that seems so lost unto itself AM I SOMEONE The Poetry tells of life as an open invitation to cry to laugh to love to live and to die It s a connection with the emotions we all feel and hear A communion of life from the heart a place of truth

The Night Sky, Updated and Expanded Edition Richard Grossinger,2014-09-30 Ever since Homo sapiens first looked up at the stars we as a species have been looking for meaning in the mysteries of the night sky Over the millennia as our knowledge science and technology developed the stories we told ourselves about the universe and our place in it developed as well In The Night Sky Richard Grossinger traces those developments covering multiple aspects of humanity s complex relationship to the cosmos Covering not only astronomy but also cosmology cosmogony astrology and science fiction he offers us a revelatory look at the firmament through his own telescope fitted with an anthropological lens Throughout his explorations Grossinger continually reflects on the deeper meaning of our changing concepts about the universe and creation offering insight into how each new discovery causes us to redefine the values moralities and aesthetics by which we live He also calls into question the self
