Somewhere South Of Here:

Somewhere South of Here William Kowalski,2024-04-16 I d wondered about my mother all my life what she looked like how she smelled and sounded and acted Lately this wondering had grown to encompass a curiosity about the kind of people she herself came from because they were my family too after all even though I knew nothing about them I d no idea whether they were loud or soft spoken funny or boring preferred chocolate to vanilla if they liked movies over books or the other way around I wondered whether any of them had ever done anything magnificent in their lives or if they were the kind of folks who were satisfied with just getting by These things were important knowing them would help me to know myself and the only way that would happen was if I went and looked for her With all his possessions on his motorcycle Billy Mann sets off on a cross country odyssey from New York to Santa Fe in search of a mother who deserted him long ago What Billy discovers however is a life rich with possibility the chance for love friendship and finally a family to call his own **Got Warrants?**

Timothy Cotton,2021-10-01 For the hundreds of thousands of followers of the Bangor Maine Police Department on social media the Got Warrants feature brings a regular dose of levity Pulled straight from daily reports these short interludes provide a welcome spin on the standard police log Collected here is a fresh batch of all true police related hijinks Poking fun at human nature and turning ne er do wells into sages of silliness Got Warrants reminds us all to step back take a deep breath and try not to take things so seriously **Finding Sausalito: Part Two** Scott Lumry,2012-07-02 After a harrowing trip trying to bring his 1958 Burger Motor yacht half way around the world to his little harbor in Sausalito California Craig Kaz Kazynski and his crew find themselves traveling to South America at the demand of the FBI to locate the sunken yacht and find a briefcase hidden on board with valuable information inside Join Kaz and his crazy crew as the adventure continues to find his seemingly cursed yacht and locate its priceless cargo in Part Two of this series **Hearings** United States.

Congress. House. Committee on Un-American Activities,1957 *The Voice of the Pack* Edison Marshall,2022-09-15 In *The Voice of the Pack* Edison Marshall crafts a riveting western tale of survival and transformation Set against the vast backdrop of the American wilderness Marshall s narrative follows a feeble and ailing man who steps into the role of an unexpected guide for an elderly figure and his daughter their lives disrupted by a renegade s destructive act With a richly descriptive style that delves into the psyche of its characters the novel reflects the harsh realities of frontier life through its stark prose and poignant symbolism painting a stark contrast between the fragility of human life and the unforgiving nature of the wild Marshall s work stands as a testament to the indomitable human spirit resonating well within the literary context of tales of the American West Edison Marshall s own life and experiences inform his vivid storytelling in *The Voice of the Pack* Known for his sweeping adventure novels Marshall s keen interest in history and the natural world often shaped the narratives he presented to his readers The underlying themes within this work such as resilience in the face of adversity and the primal instincts that emerge in dire circumstances could very well be reflective of Marshall s observations and considerations of

human nature's complexities and its relationship with the environment. Scholars and enthusiasts of Western literature will find *The Voice of the Pack* a compelling addition to the genre. Marshall succeeds in not only telling a tale of human struggle and perseverance but also invites the reader to contemplate the larger existential themes woven throughout the story. Recommended for those who appreciate a nuanced exploration of character dynamics set amidst the brutal yet awe-inspiring tableau of the American wilderness, this novel promises a journey that is as introspective as it is outwardly adventurous.

The Shabbos Suitors Betty Jeanne Korson, 2010-03-02 With her marriage prospects getting slimmer, Amanda Cornfeld, a forty-year-old single woman, must choose from among three suitors that her mother has selected for her to consider for marriage. They all must pass a series of trials, brave her fierce dog, escape the limits of time, and give her something priceless. Which one will she choose: the unscrupulous lawyer who wants to dominate her, the artistic impresario who needs her, or the unlikely blind date who rescues her from depression? Amanda is haunted by all three in her dreams. Only her will to determine her own fate leads her to her final choice. With her faithful Rottweiler by her side, she travels to strange cities and far-off shores in her quest for a mate. A gold ring, a freak fire, and an ancient water ritual are some of the barriers she encounters along the way.

Perfect Little Girl Scouts William J. Smith, 2019-04-23 The Smith family was an outdoorsy family whose two sons, William and Andrew, joined the Boy Scouts at a young age. Then their little sister, Carol Anne, wanted to join after hearing about all the fun things that her brothers get to do. Eventually, by the time she turns five, she joins the local chapter of the Girl Scouts. Then one day that following summer, she goes on the annual Summer Retreat where she earns several merit badges, including for camping. Then one night, Carol Anne has to go to the bathroom and asks her friend Samantha Thompson to join her. Soon, the girls get hopelessly lost in the woods and must use the survival skills that they learned as Girl Scouts in order to survive and get home.

Relentless Karen Lynch, 2013-12-26 Now optioned for TV, Sara Grey's world shattered ten years ago when her father was brutally murdered. Now at seventeen, she is still haunted by memories of that day and driven by the need to understand why it happened. She lives a life full of secrets, and her family and friends have no idea of the supernatural world she is immersed in or of Sara's own very powerful gift. In her quest for answers about her father's death, Sara takes risks that expose her and her friends to danger and puts herself into the sights of a sadistic vampire. On the same fateful night, she meets Nikolas, a warrior who turns Sara's world upside down and is determined to protect her, even if it's the last thing she wants. Sara's life starts to spin out of control as she is hunted by an obsessed vampire, learns that her friends have secrets of their own, and reels from the truth about her own ancestry. Sara has always been fiercely independent, but in order to survive, now she must open herself to others to reveal her deepest secrets. And she must learn to trust the one person capable of breaking down the walls around her.
