

SON OF A GRIFTER

**The Twisted Tale of
Sante and Kenny Kimes,
the Most
Notorious Con Artists
in America**

A Memoir by the Other Son

KENT WALKER WITH MARK SCHONE

Son Of A Grifter Sante Kenny Kimes

Katrin Zwirgmaier

Son Of A Grifter Sante Kenny Kimes:

Son of a Grifter Kent Walker, Mark Schone, 2009-10-13 A National Bestseller and Edgar Award nominee *Son of a Grifter* is Kent Walker's memoir about growing up with killer con artist Sante Kimes as a mother. Highly readable, truly horrific. Entertainment Weekly In 1988 a troubled young man and his flamboyant mother were arrested for murdering a wealthy widow in her New York City mansion. Suddenly America was transfixed by a pair of real-life film noir characters. The media couldn't get enough of the twisted relationship between Sante Kimes and her twenty-three-year-old son Kenny. But the most chilling story of all was never told until now. Kent Walker, Sante's elder son, reveals how he survived forty years of the Dragon Lady's very special brand of motherly love and still managed to get away. As a child, Kent watched his mother destroy his hardworking father Ed Walker and then, with Kent's painful collusion, snare what Sante called my millionaire. When she married seemingly respectable real estate developer Ken Kimes, it was a match made in hell. For the next two decades, Kent's mother and stepfather indulged in a globetrotting orgy of criminal behavior. Kent, their would-be recruit, was privy to the family business: torching houses, defrauding friends, crashing White House parties. When Kent's half brother Kenny was born, Kent was twelve years old, old enough to know that he was his younger sibling's only protector. Kent tried desperately to save Kenny from his mother's sinister bidding. His failure haunts him to this day. One of the most engrossing true crime accounts. Compelling Booklist Walker does a fine job of elucidating the psychological and emotional price of being loved and cared for by a sociopath. Publishers Weekly

Son of a Grifter Kent Walker, Mark Schone, 2001-04-24 In 1998 a troubled young man and his flamboyant mother were arrested for murdering a wealthy widow in her New York City mansion. Suddenly America was transfixed by a pair of real-life film noir characters: an Oedipal team of scam artists who left a trail of blood, lies, and larceny from coast to coast. The media couldn't get enough of the twisted relationship between Sante Kimes and her twenty-three-year-old son Kenny. But the most chilling story of all was never told until now. Kent Walker, Sante's elder son, reveals how he survived forty years of the Dragon Lady's very special brand of motherly love and still managed to get away. As a child, Kent watched his mother destroy his hardworking father Ed Walker and then, with Kent's painful collusion, snare what Sante called my millionaire. When she married seemingly respectable real estate developer Ken Kimes, it was a match made in hell. For the next two decades, Kent's mother and stepfather indulged in a globetrotting orgy of criminal behavior, laying waste to each other and anyone who got in the way. Kent, their would-be recruit, was privy to the family business: torching houses, defrauding friends, crashing White House parties, shopping for trunkloads of fur coats, and Sante's self-serving style of adultery. When Kent's half brother Kenny was born, Kent was twelve years old, old enough to know that he was his younger sibling's only protector. Kent tried desperately to save Kenny from his mother's sinister bidding. His failure haunts him to this day. Here, with shocking and sometimes brutal frankness, Kent explodes the romantic Hollywood image of the grifter as antihero and exposes the truth about Sante Kimes behind the headlines. *Son of a Grifter* poignantly chronicles what it means

to love somebody despite your better instincts your worst fears and even your most forbidden hopes They Call Them Grifters Alice McQuillan,2000 When an 82 year old Manhattan heiress disappeared an investigation led to the arrest of Sante and Kenneth Kimes a mother and son team who had lived in a world of riches and privilege As they face trial accused of a shocking array of crimes including murder an award winning police reporter provides this gripping account of a case that continues to shock the nation of photos *Sex, Lies, and Handwriting* Michelle Dresbold,James Kwalwasser,2008-07-22 Explains how to use handwriting analysis to interpret people s character traits personalities and backgrounds and examines the handwriting of such dangerous individuals as Ted Bundy Jack the Ripper and Osama bin Laden **Crimes of the Centuries** Steven Chermak Ph.D.,Frankie Y. Bailey,2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America s justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson *No-Body Homicides* Mark Stobbe,2023-05-05 No Body Homicides The Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence Based on an examination of over 600 cases in the United States and Canada this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors to bring them to justice For over 300 years murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim No Body Homicides provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim It explains why prosecutions were once extremely rare and how legal attitudinal and technical changes have made them more common The book also explores how the logic of no body homicide prosecutions differs from body present homicides It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions For criminology students it provides fascinating insights into the process of investigating and prosecuting homicides as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims No Body Homicides will be of practical interest

to police or prosecutors confronted with a missing person's case that could be sinister. It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of True Crime. **Handbook of Parenting** Marc H. Bornstein, 2005-02-16 Please see Volume I for a full description and table of contents for all four volumes. *The Foundations of Organizational Evil* Carole L. Jurkiewicz, 2015-02-24 Numerous reprehensible corporate governmental and nonprofit activities over recent years have highlighted the existence of organizational evil. Unlike other works on the topic, this book fully develops the concept of organizational evil, conceptually weaving the interchange between evil individuals (microlevel) who ultimately create the organizational environment that is evil and the macrolevel elements of policy, culture, and manipulations of the social environment. **Encyclopedia of Television Film Directors** Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers*, long form television programs have been helmed by some of the most creative and accomplished names in directing. *Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand alone long form television programs, made for TV movies, movie length pilots, mini series, and feature length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much needed reference that celebrates these often neglected artists, *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium. *Killer Couples* Tammy Cohen, 2012-02-06 An exploration of the deadly dynamic that exists between men and women whose romantic obsession leads them to commit acts of bloody devastation. Love and lust are among the most powerful of emotions, but when a joint thirst for violence is thrown into the mix, it creates the ultimate lethal cocktail. These case histories raise the questions of what kind of love proves itself by brutality against innocents, what warped ties of loyalty bind a lover to a mate who murders, and how the balance of power between a couple can become so twisted that other people become irrelevant and worse, disposable. The couples in this book are ordinary people with an extraordinary secret murder. In all their horrific detail, readers will discover how their flaws and fantasies fused to create a monster that fed on the sadistic extermination of their victims.

This is likewise one of the factors by obtaining the soft documents of this **Son Of A Grifter Sante Kenny Kimes** by online. You might not require more era to spend to go to the ebook introduction as capably as search for them. In some cases, you likewise attain not discover the revelation Son Of A Grifter Sante Kenny Kimes that you are looking for. It will unquestionably squander the time.
