Sunrise & Sonrise William Reber,2017-12-08 A book of poetry designed to tell the things I have been thinking by translating my thoughts into poetry that I hope praises God the Father and Jesus Christ God the Son To Him be the glory Sonday Sunrise Benjamin A. Vima,2011-12-06 SONday SONrise is from an international priest at the USA who has been a priest for forty years and is a preacher of Gods Word day in and day out especially on Sundays to see that every one of his flock drinks truly the living water that flows out of Gods throne whenever they participate in Jesuss banquet and his discourse in their churches Every homily found in this book is based on the firm belief that Sunday service is the central part of our Sabbath observance as the community of God in Jesus As Pope John Paul II said On this day we celebrate the identity of the parish community encountering the Risen Lord in the table of the Word and the table of His Body This book of homilies is published mainly for the people who consider Sunday holy day obligations as the Lords command It will be of great help to them while going through the Sunday holy day scriptures before they go to their services so that they can be attuned to the Spirits move during the liturgy of the Word It will enrich their understanding of what that days preaching as their pastors break the Word of God It will also be of great help to their Lords day family gathering at home to converse together little more about the Word of God with spouses and kids These homilies are only my personal reflections on the scriptural readings I have prayerfully labored over them while writing For sure I have written them with love uttered them in faith but was always led by the Spirit of Jesus Though this is chiefly for my favorable audience others especially my priest friends and preachers can use it too and enrich their favorable congregation Understanding Controversial

Kaufman,2014-04-01 An innovative alternative approach to creating a child centered environment that directly empowers parents and caregivers Kirkus Reviews As a boy Raun Kaufman was diagnosed by multiple experts as severely autistic with an IQ below 30 and destined to spend his life in an institution Years later Raun graduated with a degree in Biomedical Ethics

from Brown University and today he has become a passionate and articulate autism expert and educator with no trace of his former condition. So what happened? Thanks to The Son Rise Program, a revolutionary method created by his parents, Raun experienced a full recovery from autism, a story recounted in a bestselling book and an award-winning NBC television movie. In *Autism Breakthrough*, Raun presents the groundbreaking principles behind the program that helped him and thousands of other families with special children. Autism, he explains, is frequently misunderstood as a behavioral disorder when in fact it is a social relational disorder. Raun explains what it feels like to be autistic and shows how and why The Son Rise Program works. A step-by-step guide with clear practical strategies that can be applied immediately, in some cases parents see changes in their children in as little as one day. *Autism Breakthrough* makes it possible for these special children to defy their original, often very limited, prognoses. Parents and educators learn how to enable their children to create meaningful, caring relationships, vastly expand their communications, and to participate successfully in the world. An important work of hope, science, and progress, *Autism Breakthrough* presents the powerful ideas and practical applications that have already changed the lives of families all over the world.
