Steven D. Farmer, Ph.D

Song Of The Earth Mother:

Earth Mother Our Womb of Life Your Brother, 2011-10-26 We live in a prophetic time The interpretation of holy texts private revelations and numerous prophecies all point to our current period as the time of a great world transformation This Purification Time as some call it is when the deeper knowledge of our Earth Mother and the process progressing us within our sun system are needed to prepare us for this special period when unexpected events and fateful choices will arise for each of us Following their instructions for this period native priests and other elders are restoring sacred knowledge preserved through the ages It is time for us to remember the true nature of the Earth and our deep roots within Her life and how we have been progressing with the Earth through the ages toward a goal that is about to climax The author spent two years with his native father a high priest of his people helping to pass on this knowledge Now in his sixties the author has continued sharing this information wherever he can on the Internet in a university project and now in this book where it is hoped that our Earth Mother s message will reach a larger audience

The Praying Flute ,1987 Little Girl travels to the realm of the Earth Guardians and is given a praying flute which sings of harmony with the earth **Honour Earth Mother** Basil Johnston,2004-01-01 Honour Earth Mother is an inspiring reminder of the affection and reverence that the Native peoples of North America have had for the land For Native peoples the earth was special the dwelling place of manitous and spirits and the repository of the bones of generations of ancestors And the earth remains today a deep wellspring of revelations and unveiled mysteries for those who take time to watch listen and reflect Celebrated Ojibwa writer Basil Johnston invites us to go into the woods and meadows mountains valleys and seashores to watch miracles still unfolding to listen to nature s symphonies to feel the pulse of the earth to take in the fragrances and to sense the awesome His stories of the creatures seasons and landscape of the earth reveal a land that has never stopped brimming with beauty song and dance

Flute* Tony Shearer, 1975 **My Mother's Eyes** Shanelle Dawson, 2023-10-11 Imagine living with the knowledge that your
father had murdered your mother and lied to you your whole life telling you she left because she didn't love you anymore
How could a father do this to his children How could a husband do this to a woman he at one time loved When she was four
years old Shanelle Dawson's mother Lynette disappeared On 8 January 1982 the woman who had been a loving constant
presence vanished without a trace Four year old's might not be able to articulate questions or understand a lot but the ache
of absence is very real Year after year that ache persisted Shanelle's father Chris Dawson claimed that his wife just needed to
get away This is what he told Lyn's parents and siblings This is what he told his daughters But Lyn never returned home Her
side of the bed was immediately filled by Shanelle's teenage babysitter a former student of her father's After thirty six years
of her father's lies a podcast called The Teacher's Pet investigated her mother's case Sordid details about the father she
loved became public Whispers that he had murdered Lynette grew louder The police refocused on the cold case Then Chris
Dawson faced court Forty years after she went missing he was sentenced to twenty four years in prison for the murder of
Lynette Now in this brave emotionally powerful memoir Shanelle reclaims her mother's story and finds a channel for her own
voice It is an unforgettable insight into the ripples of trauma and loss that family violence brings and shows how Shanelle
found the strength to confront her father and can now create a new life after unimaginable deception This is Shanelle's story

practical guide Joan Borysenko PhD Elvis Costello, Joni Mitchell, and the Torch Song Tradition Larry David
Smith, 2004-04-30 The torch song has long been a vehicle for expression perhaps American song's most sheerly visceral one
Two artists in particular have built upon this tradition to express their own unique outlooks on their lives and the world
around them Joni Mitchell Elvis Costello and the Torch Song Tradition combines biographical material artist commentary
critical interpretation and selected exemplars of the writers work to reveal the power of authorship and the creative drive
necessary to negotiate an artistic vision in the complicated mechanisms of the commercial music industry Author Larry David
Smith as in his Bob Dylan Bruce Springsteen and American Song considers the complicated intersection of biography

creative philosophy artistic imperative and stylistic tendencies in the work of both Joni Mitchell and Elvis Costello two songwriters with seemingly nothing in common one famously confessional and one famously confrontational Yet as Smith shows so incisively they are two personalities that prove fascinatingly complementary Mitchell and Costello both yielded bodies of work that are cohesive coherent and rich in meaning Both have made historic contributions to the singer songwriter model two rebellious responses to the creative and commercial compromises associated with their chosen field and two distinct thematic responses to the torch song tradition Smith examines these responses offering a unique and invaluable exploration of the craft of two of the last century s most towering musical figures **The Praying Flute** Tony Shearer,1987
