Sketches Of Early Texas And Louisiana:

Sketches of Early Texas and Louisiana Frédéric Gaillardet, James L. Shepherd, III, 1966 A lively report of travels in early nineteenth century Texas and Louisiana and a fascinating account of the discovery exploration and settlement of those areas is presented in the work of this ebullient young French dramatist and journalist who traveled to Louisiana in 1837 and to Texas in 1839 Frédéric Gaillardet an alert and talented writer of the romantic school was lured away for a decade from a successful career in Paris to satisfy his wanderlust and to seek inspiration on the American frontier During that time he visited the American Southwest and he talked with many personages there men like Sam Houston Mirabeau B Lamar and Achille Murat His character sketches of these men add zest to the book as do the facets of Gaillardet's own personality and life displayed in these pages Gaillardet's reports of his travels were published in various French language newspapers of the time a few were incorporated into the author's posthumous memoirs His opinions as recorded in his writings exerted undeniable influence in the French decision to recognize Texas one of his theses was that the Republic of Texas might become a curb rather than a stepping stone to an expanding United States Despite Gaillardet's historical importance however none of these chapters has ever appeared before in English translation This collection was gathered from several sources the *Journal des Débats* the *Constitutionnel* the *Courrier des États-Unis* and Gaillardet's memoirs entitled *L'Aristocratie en Amérique* The latter chapters concentrate on the career of a prominent Louisiana lawyer politician and diplomat Pierre Soulé whose much maligned name Gaillardet repeatedly and stoutly defended A less favorable treatment of Soulé contained in Fanny Calderón de la Barca's *Attaché in Madrid* is reprinted in the appendix to aid the reader in judging the accuracy of Gaillardet's analysis of this arresting figure Copious footnotes to clarify the text have been added by the translator His introduction presents a biographical sketch of Gaillardet together with a careful analysis of the book which has been translated lucidly and vividly

Sketches from the Five States of Texas A. C. Greene, 1998 When veteran columnist A C Greene turns his eyes on Texas he sees a variety of experiences and a scope of history that fascinate the rest of us Under its annexation terms Texas is allowed to divide itself into as many as six states While that is not ever likely to happen Greene masterfully shows that several cultural states do exist within the one political entity of Texas and have throughout the state's history Greene has a wide ranging curiosity about the facts of Texas history what lies behind them what quirks of human nature they reveal how the people who lived them might have experienced them roads not taken and why things have come to be as they are His historical writing has helped make Texas past accessible and even interesting to the public for over forty years Spot lighting individuals places and events that make for distinctiveness *Sketches from the Five States of Texas* features oddities and little

known facts that present a kind of history within history Several sketches look at inventions or innovations such as plows and Other pieces focus on historic moments the first long distance telephone service the last messenger from the Alamo Transportation is a theme that runs through this book trains planes including a box kite contraption early automobiles and roads and steamboats ice boats and war boats Place names get attention too peculiar names unexpected sources and long lost places Naturally the wars of Texas are also covered the Revolution the Indian wars the Civil War and the Texas Navies The pieces in this collection originated for the most part in Greene s popular Dallas Morning News columns several sketches and all the regional introductions are completely new Aficionados of Texas history will already know some of what they read here but they will not know all of it Greene s nuggets of history will inform and entertain a wide reading public They represent A C Greene at his best and most engaging and the states of Texas at their best too

Sketches Of Early Texas And Louisiana Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sketches Of Early Texas And Louisiana has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sketches Of Early Texas And Louisiana has opened up a world of possibilities. Downloading Sketches Of Early Texas And Louisiana provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sketches Of Early Texas And Louisiana has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sketches Of Early Texas And Louisiana. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sketches Of Early Texas And Louisiana. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sketches Of Early Texas And Louisiana, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sketches Of Early Texas And Louisiana has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
