*Competencies of Managers and Service Excellence in Military Hospitals* Professor Emeritus Dr Syed Mohamed Aljunid, Dr Junaidah Kamarruddin, 2023-06-06 Excellence in service is needed in the Military Hospitals in Malaysia to ensure the best and the most effective services are delivered One of the factors that contribute to the provision of excellent services is the presence of competent managers In this book we report the outcome of a study aimed to determine the level of service excellence among managers and the factors influencing it in five Military Hospitals under the Ministry of Defence Malaysia A cross sectional study was conducted using self administered questionnaires distributed to Military and Non Military managers with different demographic backgrounds and service characteristics The questionnaires consist of six components the background of the respondents the level of service excellence skills knowledge of the Blue Ocean Strategy BOS leadership style and organisational compliance By using the Structural Equation Model findings of the study showed that all independent variables i e skills knowledge on BOS leadership style and organisational compliance are significantly related to service excellence Using Stepwise Multiple Linear Regression it was discovered that managers in the lower grades as well as Non Military managers demonstrated significant service excellence In conclusion the service excellence of managers in Military Hospitals is strongly influenced by their competencies Military Hospitals administration should focus into the needs for training and suitable courses for Military managers in senior position to enhance their competencies      **The Excellent Manager's Companion** Philip Holden, 1998 With The Excellent Manager's Companion in your desk drawer you'll be equipped with succinct guidance on today's most talked about business issues And you'll know which books to turn to when you really do need more detailed guidance on a specific topic Twenty one chapters look at key topics ranging from corporate culture to customer orientation and from innovation to influencing people Each chapter is organized around standard sections which makes dipping into the book quick easy and rewarding      **The Management Excellence Framework**, 1986

**The Principal's Companion** Pam Robbins, Harvey B. Alvy, 2003 This book adds extremely relevant knowledge and skills for innovative reformers and for more traditional leaders alike It provides a solid set of interesting and shrewd suggestions that can be used immediately by practising principals From the Foreword by Kent D Peterson Professor Department of Educational Administration University of Wisconsin Madison Despite the administrative leadership training that most principals receive in university courses their most useful learning doesn't occur until they are on the job And the new knowledge much of it the result of trial and error success and failure is gained in relative isolation simply because there is no one else at that responsibility level within the school Pam Robbins an educational consultant and Harvey B Alvy a practicing principal offer a well organized interactive manual for the role of principal They have worked with hundreds of schools educators and other organizations around the world collecting data that form the basis for The Principal's Companion This

easy to read book combines the most helpful tried and true strategies with the most relevant leadership research and theory The authors discuss creative leadership and necessary skills the wide variety of roles played by principals how to create a learning community personal and professional issues and much more Quotes from practicing principals are included throughout the book and readers are encouraged to jot down their own reflections about each chapter theme The Principal s Companion is a rare opportunity to collaborate with other principals an excellent professional resource that will be referred to again and again Ideal for practicing and aspiring principals it is also highly useful as a text for administration courses

The Path To Management Excellence Mahmoud Shaban, This book is about communication It intends to share the situation of your organization with its employees shareholders and even customers It also help management to stay alert of any development within the organization It helps employees to keep updated and have a direct communication with management This book can benefit all managers and employees how to run their organization and how to keep in contact with stakeholders Finally it is also an efforts from the author to share his experience with others for fruitful results and better achievement
