**Lockheed Blackbird** Paul F. Crickmore,2023-11-23 The SR 71 Blackbird is an iconic aircraft that has come to symbolize America s technological superiority during the Cold War Using recently declassified information globally renowned expert Paul Crickmore updates his definitive account of the aircraft The Lockheed SR 71 Blackbird ranks as one of the most elegant sleek and powerful aeroplanes ever designed But it was not built to be admired it was built not to be seen at all The high altitude aerial reconnaissance sorties it was to perform were top secret and carefully concealed from public knowledge

However as the aircraft have become museum pieces and details of their work declassified the whole story of their design and operation can finally be told This updated edition of Paul Crickmore s classic Lockheed Blackbird Beyond the Secret Missions is based on 850 pages of documentation and images declassified by the CIA covering the A 12 Oxcart programme These highly significant documents range from discussions at the highest levels of the US government concerning the rationale for Oxcart s development and eventual deployment to extremely detailed intelligence data gleaned from each of the 29 operational missions flown by Oxcart during Operation Black Shield The Blackbird family of aircraft continue to fascinate a wide age group and since the aircraft will never fly again its history has become timeless This new edition will provide the last word on the SR 71 Blackbird and its operational history
