Research Companion to Language and Country Branding Irene Theodoropoulou, Johanna Tovar, 2020-11-16 Research Companion to Language and Country Branding brings together entirely new interdisciplinary research conducted by scholars working on various sociolinguistic semiotic anthropological and discursive analytical aspects of country branding all over the world Branding is a process of identity construction whereby countries gain visibility and put themselves on the world map as distinctive entities by drawing on their history culture economy society geography and their people Through branding countries aim not only at establishing their uniqueness but also and perhaps most importantly at attracting tourism investments high quality human capital as well as at forging financial military political and social alliances Against this backdrop this volume explores how countries and regions imagine and portray others and themselves in terms of gender ethnicity and diversity today as well as the past In this respect the book examines how branding differs from other related policies and practices such as nation building banal nationalism and populism This volume is an essential reference for students researchers and practitioners with an interest in country nation and place branding processes The New Russian Documentary Anastasia Kostina, Masha Shpolberg, 2025 Investigates the recent expansion in Russian documentary film and its relationship to politics the media industries and the public sphere **Soviet Social Reality in the Mirror of Glasnost** Jim Riordan, 1992-08-25 Soviet and Western sociologists come together in this book to present results of recent sociological surveys and to analyse important social issues against the background of the revelations of the late 1980s and early 1990s The book spans six major issues the family and women social care young people deviance including prostitution leisure and privilege including the black market *Bread and Autocracy* Janetta Azarieva, Yitzhak M. Brudny, Eugene Finkel, 2023-08-18 Bread and Autocracy focuses on the political role of food in post Soviet Russia In less than twenty years Putin's Russia moved from heavily relying on imports to feed the population to being one of the world's leading food exporters The authors provide a comprehensive analysis of this transformation as well as its causes and consequences for Russia's domestic politics and foreign policy They argue that Russia's food independence agenda is an outcome of a deliberate decades long policy to better prepare the country for a confrontation with the West Moreover they show that for the Kremlin nutritional self sufficiency and domestic food production is a crucial pillar of state security and regime survival Business Profile of the Nizhny Novgorod Region of Russia BIA, 2006-12 **Soviet Intelligence and Security Services 1964-70** United States. Congress. Senate. Committee on the Judiciary, 1972 **Soviet Intelligence and Security Services: 1964-70** Library of Congress. Congressional Research Service, 1972 *The Traitor Brothers* Darvin Babiuk, Do what is right because it is right and leave it alone That's the credo two very different Traitor Brothers live by Brothers by thought and deed they put people before politics when it makes life better for the average person The Traitor Brothers is a near historical suspense thriller with dollops of politics sociology diplomacy organized crime and intercultural friendship Similar in family background and

education from different cultures but the same generation working at comparable levels for their respective governments one born in Soviet Russia the other in Imperialist Japan two iconoclasts dedicate their lives to improving life in their countries and not just following orders or improving their personal positions They come together at the United Nations in New York in the 1950s later again in Far Eastern Siberia and finally in Japan in the early 1990s as the Soviet coup d etat against Mikhail Gorbachev threatens to undo their efforts to improve lives in both their countries Recent political events from around the world have shown us what happens to Foreign Service Officers public servants and patriots when they act with integrity and dedication towards the best interests of their fellow citizens instead of their putative superiors Russia has once again thrust itself onto our collective consciousnesses and it is informative for people to see how we got here and the kind of people we need to get us out Russia Business and Investment Opportunities Yearbook Volume 1 Practical Information,
