Slave Of Love:

The New Kind of Love E. W. Kenyon, 2025-07-15 The two greatest forces in the world today are love and selfishness Natural human love has failed because it is based upon selfishness Does God have a solution for this problem We believe that He has It is The New Kind of Love that has been overlooked by the church but has recently been rediscovered This book unveils the new kind of love that Jesus brought to the world This love comes into a barren life and makes it blossom as a rose It takes away the hardness and bitterness of life There will be no empty lives no barren lives Every life may become a garden of delight God has made it possible To walk in love is actually to live in God It is the realm where the Word dominates where faith functions Faith grows in the atmosphere of love It becomes a dominating and creative force when love really rules This new kind of love agape was born in the realm of divine revelation It is a deep and profound sacrificial love that transcends and persists regardless of circumstances The Evolution of Love Emil Lucka, 1922 *Evolution of Love* Emil Lucka, Ellie Schleussner, 2024-11-24 The object of this book which is addressed to all cultured men and women is to set forth the primitive manifestations of love and to throw light on those strange emotional climaxes which I have called Metaphysical Eroticism I have taken no account of historical detail except where it served the purpose of proving explaining and illustrating my subject Nor have I hesitated to intermingle psychological motives and motives arising from the growth and spread of civilisation The inevitable result of a one sided glimpse at historical facts would have been a history of love an undertaking for which I lack both ability and inclination On the other hand had I written a merely psychological treatise disregarding the succession of periods I should have laid myself open to the just reproach of giving rein to my imagination instead of dealing with reality I have availed myself of historical facts to demonstrate that what psychology has shown to be the necessary phases of the evolution of love have actually existed in historical time and characterised a whole period of civilisation The history of civilisation is an end in itself only in the chapter entitled The Birth of Europe My work is intended to be first and foremost a monograph on the emotional life of the human race I am prepared to meet rather with rejection than with approval Neither the historian nor the psychologist will be pleased Moreover I am well aware that my standpoint is hopelessly old fashioned To day nearly all the world is content to look upon the sexual impulse as the source of all erotic emotion and to regard love as nothing more nor less than its most exquisite radiation My book on the contrary endeavours to establish its complete independence of sexuality My contention that so powerful an emotion as love should have come into existence in historical not very remote times will seem very strange for all outward profession of faith in evolution notwithstanding men are still inclined to take the unchangeableness of human nature for granted The facts on which I have based my arguments are well known but my deductions are new it is not for me to decide whether they are right or wrong In the first introductory part I have made use of works already in existence in addition to Plato and the poets but the second and third parts are founded almost entirely on original research E L **Salvation Showers of Blood** James

Tragic Souls of Love and War Jacquelyn Howes,2019-09-08 The Bellamy Mansion in Wilmington North Carolina is the setting of Tragic Souls of Love and War in the pre Civil War era during the Civil War and after the war The story is heavily based on facts of four strong women Sarah Sampson the Bellamy family s slave cook Belle Bellamy the oldest Bellamy daughter Mrs Eliza Bellamy the wife of Dr John Bellamy and Harriet Foote Hawley the wife of Union general Joseph Roswell Hawley She was an abolitionist and a first cousin of Harriet Beecher Stowe The mix of these four women and the fictional and extraordinarily charismatic Braxton Scott twist into a story that captures the loves and sorrows of a tragic time in our history that resembles the classic *Gone with the Wind* and reminds us of the sad reality of inequality that still exists today

The Yoke of Love Avraham Oz,1995 The theme of this book is disinheriting a father Appropriating Shylock s Jewishness into the broader field of Otherness and using *The Merchant of Venice* as a point of departure and a pivot of its discourse *The Yoke of Love* is an intellectual foray into many issues and areas of thought suggested by the Shakespearean text from cultural history and folklore to medieval philosophy and theology from politics of the theatre to literary theory from Jewish history to

early modern debates on property usury and slavery all converging in the cultural and theatrical deployment of prophetic riddles in the play involving inspired caskets intriguing legal bonds and problematic tokens of love Tracing the conceptual history of prophecy since ancient times and relating it to relevant concepts such as conscience wisdom and time *The Yoke of Love* establishes the special standing of the prophetic in early modern discourse and English Renaissance drama **Law and Love in Ovid** Ioannis Ziogas,2021-01-28 In classical scholarship the presence of legal language in love poetry is commonly interpreted as absurd and incongruous Ovid's legalisms have been described as frivolous humorous and ornamental *Law and Love in Ovid* challenges this wide spread but ill informed view Legal discourse in Latin love poetry is not incidental but fundamental Inspired by recent work in the interdisciplinary field of law and literature Ioannis Ziogas argues that the Roman elegiac poets point to love as the site of law's emergence The Latin elegiac poets may say make love not law but in order to make love they have to make law Drawing on Agamben Foucault and Butler *Law and Love in Ovid* explores the juridico discursive nature of Ovid's love poetry constructions of sovereignty imperialism authority biopolitics and the ways in which poetic diction has the force of law The book is methodologically ambitious combining legal theory with historically informed closed readings of numerous primary sources Ziogas aims to restore Ovid to his rightful position in the history of legal humanism The Roman poet draws on a long tradition that goes back to Hesiod and Solon in which poetic justice is pitted against corrupt rulers Ovid's amatory jurisprudence is examined vis vis Paul's letter to the Romans The juridical nature of Ovid's poetry lies at the heart of his reception in the Middle Ages from Boccaccio's *Decameron* to Forcadell's *Cupido iurisperitus* The current trend to simultaneously study and marginalize legal discourse in Ovid is a modern construction that *Law and Love in Ovid* aims to demolish *A Companion to the Ancient Novel* Edmund P.
