*Orchestral Music* David Daniels, 2005-10-13 Also Available *Orchestral Music Online* This fourth edition of the highly acclaimed classic sourcebook for planning orchestral programs and organizing rehearsals has been expanded and revised to feature 42% more compositions over the third edition with clearer entries and a more useful system of appendixes. Compositions cover the standard repertoire for American orchestra. Features from the previous edition that have changed and new additions include Larger physical format 8 5 x 11 vs 5 5 x 8 5 Expanded to 6400 entries and almost 900 composers only 4200 in 3rd Ed Merged with the American Symphony Orchestra League's OLIS Orchestra Library Information Service Enhanced specific information on woodwind brass doublings Lists of required percussion equipment for many works New more intuitive format for instrumentation More contents notes and durations of individual movements Composers citizenship birth and death dates and places integrated into the listings Listings of useful websites for orchestra professionals

*Orchestral "Pops" Music* Lucy Manning, 2013-10-10 In this second edition of *Orchestral Pops Music A Handbook* Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008 this work has proven critical to successful pops concert programming. With changes in publishers and agents the discontinuation of the publication of certain original material or worst of all presses going out of business music directors orchestra conductors and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time consuming task of researching these changes by offering a list of works for orchestral pops concerts that is comprehensive informative and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style instrumentation and availability of the repertoire listed as well as notes on its performance. The user friendly appendices include expanded instrumentation choices easy to find durations and handy title cross references. In addition to corrections and updates this new edition of *Orchestral Pops Music* includes at least 1 000 new title listings. *Orchestral Pops Music A Handbook* is the ideal tool for working conductors and orchestral librarians as well as music program directors at colleges conservatories and orchestras.

**Daniels' Orchestral Music** David Daniels, David W. Oertel, David A. Rahbee, 2022-06-30 *Daniels' Orchestral Music* is the gold standard for all orchestral professionals from conductors librarians programmers students administrators and publishers to even instructors seeking to research and plan an orchestral program whether for a single concert or a full season. This sixth edition celebrating the fiftieth anniversary of the original edition has the largest increase in entries for a new edition of *Orchestral Music* 65% more works roughly 14 050 total and 85% more composers 2 202 total compared to the fifth edition. Composition details are gleaned from personal inspection of scores by orchestral conductors making it a reliable one stop resource for repertoire. Users will find all the familiar and useful features of the fifth edition as well as significant updates and corrections. Works are organized alphabetically by composer and title containing

information on duration instrumentation date of composition publication movements and special accommodations if any Individual appendices make it easy to browse works with chorus solo voices or solo instruments Other appendices list orchestral works by instrumentation and duration as well as works intended for youth concerts Also included are significant anniversaries of composers composer groups for thematic programming a title index an introduction to Nieweg charts essential bibliography internet sources institutions and organizations and a directory of publishers necessary for the orchestra professional This trusted work used around the globe is a must have for orchestral professionals whether conductors or orchestra librarians administrators involved in artistic planning music students considering orchestral conducting authors of program notes publishers and music dealers and instructors of conducting **Slavonic dances**
