Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on

those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Fast Friends Dianne Emley, 2012-02 *Fast Friends* is the third in the critically acclaimed Iris Thorne Mystery series by Los Angeles Times bestseller Dianne Emley Includes bonus material Chapter One of *Foolproof* the fourth in the Iris Thorne series A sexy and surefooted investment counselor who made her ride to the top in her red Triumph circa 1972 Iris Thorne seems unshakable She s never looked back on her long climb up certainly not as far back as her blue collar roots in East Los Angeles But the suicide of Dolly DeLacey the mother of Iris s childhood friend Paula has hit harder than the latest L A quake in 1994 and the aftershocks are just beginning At the request of Dolly s husband a slumlord with low friends in high places Iris must locate the wayward Paula and bring her home for her mother s funeral But Iris has inside information that makes returning to the old neighborhood a potentially deadly task and casts Dolly s suicide in a suspicious light Now Iris dredges up an explosive memory she s kept hidden for years a shocking secret that may help her solve an almost perfect murder or bring her down in an act of long awaited vengeance Sharp and stylish a multistranded complex of lies betrayal and desperation that strips bare the politics of relationships Clever and cool Val McDermid *Manchester Evening News* UK An engaging and page turning blend of family psychopathology financial and political shenanigans and California entropy Jonathan Kellerman A tightly knit unpredictable tale With her bold moral compass her appealing in your face attitude and unsettled romantic life Iris is a compelling heroine Publishers Weekly *Iris Thorne* is sleek smart and refreshingly bitchy Any heroine so ambitious and quirkily original that she ll sneak peeks into her associates lunch bags for clues to their home lives deserves our undivided attention Los Angeles Times Book Review Emley s real achievement here is making every single person Iris is attached to look suspicious and guilty Kirkus Reviews *The Iris Thorne Mysteries Cold Call Slow Squeeze Fast Friends Foolproof Pushover The Detective Nan Vining Thrillers The First Cut Cut to the Quick The Deepest Cut Love Kills*
