Annual Report - National Gallery of Art National Gallery of Art (U.S.),1999 French Paintings in The Metropolitan Museum of Art from the Early Eighteenth Century through the Revolution Katharine Baetjer,2019-04-15 This publication catalogues The Met's remarkable collection of eighteenth century French paintings in the context of the powerful institutions that governed the visual arts of the time the Académie Royale de Peinture et de Sculpture the Académie de France Rome and the Paris Salon At the height of their authority during the eighteenth century these institutions nurtured the talents of artists in all genres The Met's collection encompasses stunning examples of work by leading artists of the period including Antoine Watteau Mezzetin Jean Sim on Chardin The Silver Tureen François Boucher The Toilette of Venus Joseph Siffred Duplessis Benjamin Franklin Jean Baptiste Greuze Broken Eggs Hubert Robert the Bagatelle decorations Jacques Louis David The Death of Socrates the Van Blarenberghes The Outer Port of Brest and François Gérard Charles Maurice de Talleyrand Périgord In the book's introduction author Katharine Baetjer provides a history of the Académie its establishment principles and regulations along with a discussion of the beginnings of public art discourse in France taking us through the reforms

unleashed by the Revolution The consequent democratizing of the Salon brought about by radicals under the leadership of Jacques Louis David encouraged the formation of new publics with new tastes in subject matter and genres The catalogue features 126 paintings by 50 artists Each section includes a short biography of the artist and in depth discussions of individual paintings incorporating the most up to date scholarship *Manet and Modern Beauty* Gloria Groom, 2019-06-25 This stunning examination of the last years of Edouard Manet's life and career is the first book to explore the transformation of his style and subject matter in the 1870s and early 1880s The name Manet often evokes the provocative heroically scaled pictures he painted in the 1860s for the Salon but in the late 1870s and early 1880s the artist produced quite a different body of work stylish portraits of actresses and demimondaines luscious still lifes delicate pastels intimate watercolors and impressionistic scenes of suburban gardens and Parisian cafés Often dismissed as too pretty and superficial by critics these later works reflect Manet's elegant social world propose a radical new alignment of modern art with fashionable femininity and record the artist's unapologetic embrace of beauty and visual pleasure in the face of death Featuring nearly three hundred illustrations and nine fascinating essays by established and emerging Manet specialists a technical analysis of the late Salon painting *Jeanne Spring* a selection of the artist's correspondence a chronology and more *Manet and Modern Beauty* brings a diverse range of approaches to bear on a little studied area of this major artist's oeuvre **E. Vuillard** Guy Cogeval, Édouard Vuillard, Kimberly Jones, Laurence Des Cars, National Gallery of Art, Washington D.C., Dario Gamboni, Mary Anne Stevens, Royal Academy of Arts (Great Britain), 2003-01-01 The long and illustrious career of Edouard Vuillard spans the fin de siècle and the first four decades of the twentieth century during which time the French painter printmaker and photographer created an extraordinary body of work This is the first volume to explore Vuillard's rich and varied career in its totality presenting nearly 350 works that demonstrate the full range of his subject matter and reveal both the public and private sides of this quintessentially Parisian artist In a series of illustrated essays and catalogue entries the authors explore Vuillard's complex and diverse artistic development beginning with his academic training in Paris in the late 1880s and the innovative Nabi paintings of the 1890s for which he is best known including his provocative disquieting middle class interiors and his work associated with the avant garde theatre The authors also examine Vuillard's splendid but lesser known large scale decorations his luminous landscapes and the elegant portraits from the last decades of his career In addition to paintings the volume includes a substantial selection of drawings and graphics together with a large group of striking photographs by the artist many of which are published here for the first time This illustrated catalogue accompanies the most comprehensive exhibition ever devoted to the work of Edouard Vuillard 1868-1940 The exhibition opens at the National Gallery of Art in Washington and travels to the Montreal Museum of Fine Arts the Galeries nationales du Grand Palais in Paris and the Royal Academy of Arts London **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Origins of Impressionism** Gary Tinterow, Henri Loyrette, 1994 This handsome publication which

accompanies a major exhibition at The Metropolitan Museum of Art is a lively and engaging account of the artistic scene in Paris in the 1860s the years that witnessed the beginnings of Impressionism For the first time the interactions and relationships among the group of painters who became known as the Impressionists are examined without the overworn art historical polarities commonly evoked academic versus avant garde classicist versus romantic realist versus impressionist A host of strong personalities contributed to this history and their style evolved into a new way of looking at the world These artists wanted above all to give an impression of truth and to have an impact on or even to shock the public And they wanted to measure up to or surpass their elders This complex and rich environment is presented here the grand old men and the young turks encounter each other the Salon pontificates and the new generation moves fitfully ahead benignly but always with determination *Origins of Impressionism* gives a day by day year by year study of the genesis of an epoch making style Bibliographies and provenances are provided for each of the almost two hundred works in the exhibition and there is an illustrated chronology With more than two hundred superb colorplates this informative survey is an essential work for both the general reader and the scholar **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **United States Government Organization Manual** ,1944 [Small French Paintings from the Bequest of Ailsa Mellon Bruce](#) National Gallery of Art (Washington, D.C.),1978 **Department of the Interior and Related Agencies Appropriations for 1980** United States. Bailey,Thomas Gaehtgens,Philip Conisbee,Thomas W. Gaehtgens,National Gallery of Canada,Gemäldegalerie (Berlin, Germany),2003-01-01 Leading scholars shed light on the development of genre painting in this heavily illustrated volume *Paris Fashion and World War Two* Lou Taylor,Marie McLoughlin,2020-01-09 Winner of the Association of Dress Historians Book of the Year Award 2021 In 1939 fashion became an economic and symbolic sphere of great importance in France Invasive textile legislation rationing and threats from German and American couturiers were pushing the design and trade of Parisian style to its limits It is widely accepted that French fashion was severely curtailed as a result isolated from former foreign clients and deposed of its crown as global queen of fashion This pioneering book offers a different story Arguing that Paris retained its hold on the international haute couture industry right throughout WWII eminent dress historians and curators come together to show that amid political economic and cultural traumas Paris fashion remained very much alive under the Nazi occupation and on an international level Bringing exciting perspectives to challenge a familiar story and introducing new overseas trade links

out of occupied France this book takes us from the salons of renowned couturiers such as Edward Molyneux and Robert Piguet French Vogue and Le Jardin des Modes and luxury Lyon silk factories to Rio de Janeiro Denmark and Switzerland and the great American department stores of New York Also comparing extravagant Paris occupation styles to austerity fashions of the UK and USA parallel industrial and design developments highlight the unresolvable tension between luxury fashion and the everyday realities of wartime life Showing that Paris strove to maintain world dominance as leader of couture through fashion journalism photography and exported fashion forecasting Paris Fashion and World War Two makes a significant contribution to the cultural history of fashion

National Galleries Simon Knell, 2016-01-22 Are national galleries different from other kinds of art gallery or museum What value is there for the nation in a collection of international masterpieces How are national galleries involved in the construction national art National Galleries is the first book to undertake a panoramic view of a type of national institution which are sometimes called national museums of fine art that is now found in almost every nation on earth Adopting a richly illustrated globally inclusive comparative view Simon Knell argues that national galleries should not be understood as great galleries but as peculiar sites where art is made to perform in acts of nation building A book that fundamentally rewrites the history of these institutions and encourages the reader to dispense with elitist views of their worth Knell reveals an unseen geography and a rich complexity of performance He considers the ways the national galleries entangle art and nation and the differing trajectories and purposes of international and national art Exploring galleries artists and artworks from around the world National Galleries is an argument about how we think about and study these institutions Privileging the situatedness of each national gallery performance and valuing localism over universalism Knell looks particularly at how national art is constructed and represented He ends with examples that show the mutability of national art and by questioning the necessity of art nationalism

The Brothers Le Nain Esther Susan Bell, Claude Douglas Dickerson, Nicolas Milavanovic, Alain Tallon, 2016-01-01 A beautiful volume that brings to light the forgotten Le Nain brothers a trio of 17th century French master painters who specialized in portraiture religious subjects and scenes of everyday peasant life In France in the 17th century the brothers Antoine c 1598 1648 Louis c 1600 1605 1648 and Mathieu 1607 1677 Le Nain painted images of everyday life for which they became posthumously famous They are celebrated for their depictions of middle class leisure activities and particularly for their representations of peasant families who gaze out at the viewer The uncompromising naturalism of these compositions along with their oddly suspended action imparts a sense of dignity to their subjects Featuring more than sixty paintings highlighting the artists full range of production including altarpieces private devotional paintings portraits and the poignant images of peasants for which the brothers are best known this generously illustrated volume presents new research concerning the authorship dating and meaning of the works by well known scholars in the field Also groundbreaking are the results of a technical study of the paintings which constitutes a major contribution to the scholarship on the Le Nain brothers
