Small Group Idea Book Cindy Bunch,2003-12-04 This revised and expanded resource edited by Cindy Bunch offers hundreds of field tested activities to help leaders develop healthy and vibrant small group life that includes community worship and prayer study and nurture outreach and fun Revolutionary Churches in Revolutionary Seasons: Dagmawi M. Wube,2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government Church & Synagogue Libraries ,2005 **American Book Publishing Record** ,2004 Position Descriptions by Design Gary H. Woolverton,2012-08 Churches have become such an entity that they are being structured and led much as normal businesses are run Because of this churches must provide adequate and effective services to their employees Proper descriptions of the jobs and related positions of the employees in the church are critical to having an effective staff that can best serve the community Descriptions of what is expected of volunteers are also crucial to having sufficient servants to do the work God desires of them This book is a collection of position descriptions as well as the whats whys and hows of developing implementing and maintaining effective descriptions for both career employees and volunteers In addition to the more than 170 descriptions included in the book more than 950 descriptions are available for download
