Carter, 2019-05-15 In 1770 the priest Nicolas Vernier was accused of neglecting church services inappropriate behaviour in the confessional financial improprieties and affairs with the village schoolmistresses In a contentious church court case parishioners described all of their priest's wrongdoings and in turn he detailed many of theirs Ultimately Vernier finished his career as a cathedral canon in another diocese *Scandal in the Parish* recounts Vernier's story and many similar eighteenth century cases In fascinating detail that reveals essential facets of rural religion during the Catholic Reformation period Karen Carter considers French lay people's relationship with their parish cur who governed and influenced so much of their religious practice Although the priest's role as purveyor of God's grace through the sacraments was secure as long as he performed his duties appropriately priests who were unable to navigate the pressures and high expectations put on them by their superiors and parishioners risked broken relationships public disturbances of the peace and even prosecution These scandals Carter demonstrates tell us much about rural parish life the processes of negotiation and accommodation between cur's and their parishioners and ongoing religious reforms and enforcement throughout the eighteenth century An engaging venture into the world of the parish that highlights the centrality of the priest-parishioner relationship *Scandal in the Parish* reveals the attitudes and practices of ordinary people who were active agents in their religious and spiritual lives **Community as Church, Church as Community** Michael Plekon, 2021-07-22 Parishes of all denominations are in decline shrinking closing dying We know that there are increasing numbers young and older who are religious nones and dones This book explores why the decline is taking place why the distancing is going on But it goes on to

examine parishes from all over the country and from various church bodies that are resurrecting The central theme of death and resurrection shapes the analysis of parishes covered Parishes are resurrecting by reinventing their ministries by repurposing their building to better serve their neighborhoods thus replanting and reconnecting with them All of this is the Spirit s doing but through the community of sisters and brothers who make up each congregation of faith Community as the core of church is the other reality shaping the book s reflection And community a parish being with those around living for more than its own survival are visions for going forward Other aspects of congregational life are also examined most importantly the pastors how they serve when budgets shrink how they are trained how pastors act with the community not above it No recipes are suggested for parish resurrection but the stories of the parishes that have revived bear within numerous lessons for us in the future
